Description: Exploding Kittens Official - was the most funded Kickstarter game, and finally owners of Android devices can find out what can be so exciting. In fact, it is a multiplayer card game with simple rules ranging from 2 to 5 people. And of course there are exploding kittens as well as many other interesting things, which makes this project really fascinating. Features: * Exploding Kittens is a multiplayer card game for people who like kittens and explosions, laser beams and sometimes goats. * Play online with 2 to 5 friends or strangers * All artwork of The Oatmeal * New maps exclusive to the digital version of Exploding Kittens * The digital version of the most assured game in Kickstarter historyexploding-kittens-official-v4.0.1-mod.apk With everyone going crazy from kittens, it's pretty reasonable that entertainment companies should start targeting this market. And the Exploding Kittens card game has done a great job at getting the attention of feline lovers. The simple but fun game only requires a deck of cards and a group of friends to enjoy the endless fun. The Android version of Exploding Kittens Official is also a big hit as it delivered an addictive Russian roulette version that has your favorite pet. InstallationYou can easily get the Exploding Kittens APK file Apkdone.com by going to the website and downloading it. The game is downloaded from Google Play so you are safe from any type of virus or malware. It's just a matter of seconds before you can open and play the game. GameplayIt is like traditional card games where you have different players involved in. The goal of this game is to attack your opponent as much as possible to force them to pull out exploding Kittens cards. As soon as a player touches that card, it's game over. You will be dealt with a small deck of cards containing some cards that could help you force your opponent to draw more cards. Use scratches, hits, or bite moves, no matter what you do, make sure you're not the one who loses the game. The cool and mesmeric graphics that combine with intense music make this game such a fun and rewarding game to play with your friends and family. Not to mention that they also included a countdown clock that will go faster and faster as you reach closer to the exploding card. Download Exploding Kittens Official MOD latest 4.0.2 Android APKAll in all, it's a fun, creative, high-speed card game that's perfect for parties and family get-togethers. Exploding Kittens, the most-funded game in Kickstarter history, is now available for Android! CREAT ed by Elan Lee (Xbox, ARGs), Matthew Inman (Oatmeal), and Shane Small (Xbox, Marvel). + Exploding Kittens is a multiplayer card game for which are in kittens and explosions and laser beams and sometimes goats. + Play with 2 to 5 friends or strangers online + All art illustrated by The Oatmeal + + cards exclusive to the digital version of Exploding Kittens – Exploding Kittens – Official Mod – Explosive Cats is a popular, entertaining, and entertaining card and tablet game for Android, priced at \$1.99 on Google Play and has been purchased by around 500,000 Android users so far. And it's one of the most popular desktop games, and at the request of some of your loved ones, your latest update, along with mods for download, is ahead of you! The popular game Exploding Kittens - Official is able to experience two to five people, and each round lasts about fifteen minutes! The whole game exploding kittens – Official has a goal, not to blow up the explosive cat card. At first, the cards are placed on the table, and the players in turn take cards, if the player kills a black card or an explosive cat, it explodes quickly and goes out of play! The player can only continue to play if he has a bomber's defense card, in which case he will use a neutral card, and the explosive cat card will appear inside the cards at the desired location without seeing other players. Put. In addition to explosive cat cards and throw cards, there are other cards, such as action cards, that allow you to get closer! Exploding Kittens – Official is easy and if you're looking for a fantastic card game for the experience, don't miss it at all! Exploding Kittens – Official now has won excellent scores of 4.7 out of 5.0 based on thousands of votes and sales. We have released the latest and latest versions of it, along with mods for the first time in Iran, and are able to download images first. Watch a video of it and finally, if you want to get a click from high-speed servers on the site.
