## Kc's driving school watertown wi

We have a large number of students who do not complete at least one session a week. To remain active, you must complete one session per week. We don't charge you to reactivate your current account, but it may change later. If your account is inactive, students (not parents) should contact us when they are ready to continue the course. If you've registered for a new online classroom, click the tab to register now and click here to get started. Follow those steps for registration. Welcome to KC's Driving School. KC has been in business for more than 34 years and has taught tens of thousands of Wisconsin youth to drive safely. We also look forward to serving you. For a detailed explanation of how driver training works and answers to questions, click here on the online classroom option; 30-hour full online course - FEE: \$95 This course is our most common course. Thousands of students have taken this course and are very acclaimed. It is a self-paced, computer-based online course. Students can start at any time and complete the course at any time. Presentations, narrations and other materials are the same as traditional classrooms. Students must complete the course for six months and complete at least one session per week to remain active. Steps for completing the entire online driver training course: 1. Complete our student contract form to enroll in our online course. 2. Click on the sign-up tab above to create a user account for the online classroom. 3. Select the online course (completed 30 hours) bundle in the right column of the course catalog page. When you click on the course bundle, there is a box at the top that says you get everything for \$95. You can use PayPal to pay by credit card on your course or on the next screen. 4. Complete all online classroom sessions. Note: Students must complete a session at least once a week to maintain an active account. If you become inactive, you can reactivate your account, but you can only reactivate it if you are ready to complete the course. 5. Register for the course behind the steering wheel to obtain a training permit and complete the instructions behind the wheel. Two-hour method not to concede the right; fee: \$35 - individuals needed to not yield the right of the way.
