And it's obviously a far-erred task for anyone to understand the game itself. So we came up with an article to guide you by summarized and giving a list of tips needed to win in the game. It can't be denied that this game is one of the best games of the Nintendo console. You also need to update yourself about the Animal Crossing New Leaf villagers and about the other characters as well. Animal Crossing New Leaf proved to be the game that grabbed a million hearts under its embrace by the way it simply is. As a version of the Classic Franchise of Animal Crossing's game series, New Leaf is owned by Nintendo to make it convenient for people who love playing games in the handheld devices. This game came out to be interesting for its theme base scenery, animals, and their habitat. The characters and the bugs are equally interesting and they appear to be getting alive on your hand console. You can see a real-time experience with all these types of animals and characters. You can even get an unfortunate fish trapped in your net. Before we get into detailed information, let's look at the basics. It's an undeniable fact that you'll be disappointed if you stop playing the game. This will surely be a stress breast for you in your monotonous life. But nothing comes without a problem. A lot of gamers who played this game encountered a lot of problems with the game's aspects. But despite this, the game continues to have good entertainment as well as be brightening factor for your day. As stated earlier, the game is a familiar life game developed for gamers who are comfortable playing games in the handheld 3DS console from Nintendo. In 2001, the animal crossing new leaf originated along with the entry of N64 exclusively into Japan. And it seems to have gained widespread popularity. Animal Crossing New Leaf was first announced in E3 2010 at E3 2010. It is told the full information about the mechanics of the game was revealed in ES 2011. Even after all this, Nintendo went on to work on the innovation part of the game to make more and more updates, and eventually all of them ended up conforming to the gamers' expectations, including the big hook players as well. The big hookups turn to the mayor of their own town. When it comes to the well-being of the town and its inhabitants, these players are considered to be primarily responsible. By using the Animal Crossing New Leaf Cheats you'll probably stand a chance of winning the game. For this you need to update yourself on animal crossing new leaf, ideas for ACNL room, face guide for the animal crossing new leaf, hair guide for ACNL, or about the villagers of animal crossing and what not. ANIMALS CROSSING NEW LEAF FACE GUIDE As already stated in the above text, when you're on the train to town, Rover, a cat, will ask you a set of questions to decide your look that includes the type of face, hair, and clothes your character will own while stepping out in the town of the train station. It's super cool that you can customize your look. Until you unlock Shampoo, the eye color and the hairstyle cannot be changed. The eye shape is fixed and it cannot be changed. There are 12 possible looks from which you will be able to get one of the looks depending on the answers you allow for the set of three questions Rover asked. The following text will let you know what kind of look you'll possibly get for different combinations of responses. This will help you choose the answers so you'll get the look of your choice. As already stated, depending on the three answers you choose for the three questions, the face appearance card has been made. ANIMAL CROSSING NEW LEAF HAIR GUIDE The game allows you to do experiments with your hairstyle. After choosing the face arrival, you will again be asked to answer a series of questions by which your hairstyle will be determined. In this guide, you get a step-by-step instruction to choose the hairstyle. For starters, you need to know about the Champoodle being a salon. Only then will you be able to go through the animal to new Hairstyles. Once you go to the main streets of town, Shampooe will be unlocked and you can make changes to your hair. Don't be surprised to meet your hairstylist who has a puddle. You should have guessed from the salon's name. You can call him Harriet. Your hairstylist will ask you a set of three questions to which you will have to choose your answers and depending on the answers you give, your hairstylist will decide your hairstyle. If you find the process difficult, you can provide assistance from the guide we provided here. 1. How Do I Get Shampooe's Unlocked in Animal Crossing New Leaf (ACNL HAIR GUIDE)? To get the salon unlocked, there are certain things you need to do at first. The first thing is that you need to unlock Kicks for which you will need to spend a minimum of 8000 bells at the Able Sister's Shop. You should also know that only after a minimum of ten days of your town is created will the Kicks open. You should either spend 10,000 bells in Capable Sisters' or in the Kicks. The Shampooe's Salon will open in the second story of Able Sisters' building after the Kicks were opened within ten days of the creation of the town. 2. How do I change my character's hairstyle in Animal Crossing New Leaf? You have to have a talk with Harriet about your hairstyle and then pay her for getting it done. When you're in the styling chair, she'll ask you a set of three questions for which you'll have to choose answers from the options given. It should be said that you can change your hairstyle for only once in a day. After answering Harriet's questions, she'll use her big machine on your head to set your hair. The following chart will give you a clear idea of how your hair will turn around. The next thing is to set your hair color. It's often said that it's more interesting. Now let's come to the second part which is even more interesting. If you want your hair colour to be natural, you'll only have to pick one out of the nine points in the slider. If not natural, you can also choose bright or intense colors. From the four vibrant colors, you'll be asked to choose one. As stated earlier, you can make your hair for just once in a day and also spend it by 3000 bells. You will also get an option to wear the Mii mask that you use from the Mii developed on the 3DS. If you go with Mii masks at all, you can't find any other accessories like the headgear, etc. The following chart will give you an idea of the hair colours. ACNL HAIR GUIDE 3. How do I change my character's eye color? Fourteen days after you've been to Harriet, you can ask her for changing your eye color. The different types of animals that move into your village are called the animal crossing characters and this means that they are also residents of the village. These characters are also able to own stores. Shop owner and the side characters; New and old inhabitants; Villagers; Visiting characters are the primary categories of the characters. In this game, you can find random movements of the villagers in the villages. Unless you see a house somewhere nearby, you can't guess where the villager will go next. There may even be a possibility that someone convinces a villager to move into town or the villager perhaps be persuaded by the player himself to move in from the campsite. Basically, how animal crossing villagers operate is that they move into town after randomness. Actually, there's no way to determine which villager will move next unless you see a house set up. You can't even know if they convinced a villager from another town to move in, or the player convinced the villager to move in from the campsite. With the Animal Crossing New Leaf Amiibo map, you can allow any villager to move into your town. The game allows you to go into a villager's house only if the villager is found to be in the station. There is no specific evening bell or the villages to sleep and when they are asleep their homes will be kept closed. When you're inside a villager's house, you won't be allowed to peer into the chest, wardrobes or any storage space of the villager. You can only go into the house of a villager if they're inside. There is no fixed time for the villagers to sleep and the house also remains closed while they sleep. As the player, you will not be able to peer inside chests, wardrobes, or any other type of storage unit in a villager's home. You will also not be allowed to turn off the lights when inside a villager's house. When you are caught checking any storage unit, the villager will randomly offer you furniture.
