When and where to find Yusuke Yusuke is available in Shibuya Underground Way during the day on Monday, Tuesday, Friday, and Sunday. A husband, for some, is quite useful when it comes to skill cards, explained the confidant emperor. He has access to good DPS and butu, which are ice attacks. His main appeal is his ability to imitate and create duplicate cards. He's super useful when it comes to strengthening his personality. Skill cards can be found in treasure chests and sometimes enemies. By giving them to Yusuke you can save time looking for them duplicates and more. In Skill Card Conversion Personality 5 Royal he updated the electric chair which now allows you to transfer the personality to a tool or skill card. Proper use of skill cards and Yusuke will really help you throughout the game. Our guide on the best confidants to check and spend time with.
