out our detailed guide on how to install APK files on your Android device. Just like that. Personal Stickers for WhatsApp Personal Stickers for WhatsApp This sticker app Stukalova gives you a bunch of everything to completely personalize your stickers sending the experience from just an app. You must have a beta version for WhatsApp installed to be able to use the app. Download: Personal Stickers for WhatsApp Sticker Packages for Whatsapp This is a collection of many sticker packages in one app. Not only that, but the app will also help you create a sticker package yourself and even add text to the WhatsApp sticker. Download: Sticker packages for WhatsApp Cartoons/SERIAL/WhatsApp Movies Stickers - Stickers for WhatsApp Although the name of the sticker package app may not be fancy, however, the stickers included in the package are absolutely amazing and have good quality as well. The sticker pack has a ton of stickers in various categories such as Super Mario, Memes, Pokemon Go, etc. The list of stickers in the packaging seems endless and will ensure that you find the right sticker at the right time. WhatsApp Stickers - Stickers for WhatsApp comes in 19MB, which is a fairly large file size compared to other sticker packages, however, given the number of stickers included in the package is worth checking. Download: for WhatsApp AIO sticker for WhatsApp AIO sticker sticker Absolutely the best package stickers are available right now. This sticker pack will appeal to almost everyone as the package includes several different character stickers such as Mr.Bean, Homer Simpson, and probably the best animated Minions characters as well as a few others. This sticker pack app includes most of the stickers of any package on the list and has a file size of 24MB, which is to be expected given the number of stickers included in the package. We definitely recommend checking the AIO sticker pack. Download: AIO sticker for WhatsApp movie stickers This package stickers are absolutely epic. The package includes stickers from various characters in the film, including Freddy Krueger and Pennywise. Props for the designer and creator of the app as stickers are not shameful image cutouts, but beautifully decorated and unique. There are several different categories of stickers included in the package, hence you won't be stuck with just a couple of stickers to choose from. If you are a fan of cinema, then we certainly recommend downloading Cinema stickers for WhatsApp. Download: Movie Stickers Dragon Ball Stickers If you're a 90s kid and a dragon ball fan, then this sticker pack is definitely for you. The package has over 300 stickers for you to share around. Download: Dragon Ball stickers GOT WhatsApp stickers Game of Thrones is probably one of the best TV series ever to be made. If you're a GOT fan, then this sticker pack should definitely be on your download list. Winter is coming Download: GOT WhatsApp stickers Pokemon stickers for WhatsApp You probably grew up watching Pokemon and most likely liked it. If so, then this Pokemon sticker pack is a must to add to your WhatsApp collection of package stickers. Download: Pokemon stickers for WhatsApp Eevee sticker pack 1 and 2 If you've ever watched Pokemon or even played any Pokemon game, then you probably know Eevee is a normal type of Pokemon. While Eevee may not be the most famous Pokemon of the bunch, these Eevee sticker packs are absolutely amazing. Each sticker is perfectly decorated and looks beautiful. If you are a fan of Pokemon, then this package sticker should definitely be in your Collection whatsApp sticker package. Download: Eevee stickers1 (APK) - Eevee Stickers2 (APK) Deadpool Sticker Pack If you're a Deadpool fan, then this is definitely for you. The sticker package includes more than a dozen Deadpool stickers and can be downloaded by the link below. Once the APK has been installed open the app stickers and click add to WhatsApp. That's it. Now you can show off the cool Deadpool stickers that none of your friends will be able to find on the Play Store as of now. Download: Deadpool Sticker Pack (APK) WASTickerApps - Docomix Download: WASTickerApps - Docomix Sticker Packages for WhatsApp - This sticker pack has a huge variety of stickers from a whole bunch of different movies, so if you're a movie buff, then this package is definitely for you. Download: Stickers packages for WhatsApp - WASTickerApps Animal Pug Emoji Stickers for WhatsApp Who Doesn't Like Dogs Right!? Pug emoji stickers for WhatsApp package allows you to send cute pug stickers to your friends. The package contains more than two dozen stickers, all of which are beautifully crafted and look great. A small drawback is that the app is not available for free and you will have to buy an app for INR 85 (\$1.2 approximately), which is not much if you go to see. Developer support also means that they will be able to add new stickers at a faster pace. If you love dogs, then you would probably like a sticker pack too. The developer also has several other sticker packs to download for the same price. Download: Pug Emoji Stickers for WhatsApp (\$1.2) - WhatsApp tips and trick you should use Monkey stickers for WhatsApp These well-designed Monkey stickers are perfect for sending them to your friends or family. The stickers are cool and hilarious too at the same time. Big teeth on the monkey will definitely crack your friends, hence this is reason enough to load the package. The monkey stickers for WhatsApp weigh only 3.3MB and can be downloaded within minutes. Download: Monkey Stickers for WhatsApp WhatsApp Stickers - Sealu This package of stickers for WhatsApp users in India. The stickers are well designed and most of them have Hinglish text for expressions. Download: WhatsApp Stickers - Sealu Newfie Emoji for WhatsApp Download: Newfie Emoji for WhatsApp (INR 85) Shih Tzu Emoji for WhatsApp Download: Shi tzu Emoji for WhatsApp (INR85) Cat Me If you can download: Cat Me If You Can Sloth Stickers for WhatsApp. WASTickerApps Download: Sloth stickers for WhatsApp. WASTickerApps (INR 85) Corgi Unicorn Stickers for WhatsApp WASTickerApps This is probably one of the most cutting sticker packs available on the Google Play Store. The package has a cool Corgi with Unicorn horn stickers and is absolutely worth downloading, especially if you like 'doggos'. The best part is that the sticker pack is absolutely free. Download: Corgi Unicorn Stickers for WhatsApp WASTickerApps Games PUBG Stickers for WhatsApp Now who doesn't like PUBG right? Well, maybe some not, but the game is very popular, especially in India. In fact, PUBG is probably the most played game in the country and a number of other countries as well. If you are someone who is a die-hard fan of PUBG and go straight outta Pochinki, then this PUBG sticker package will be perfect for you. The sticker package doesn't come with a whole load of stickers, however, there's enough for you to boast about your friends who haven't gotten the upgrade. The app is coming MB and hope the developer adds more stickers to the pile. Download: PUBG Stickers for WhatsApp Counter Strike WASTickerApps Counter Strike is definitely one of the best games ever created, and if you've played the game and liked it, then this package of stickers should definitely be added to your WhatsApp sticker collection. Download: Counter Strike WASTickerApps Overwatch Stickers If you're a fan of Overwatch, then there's no doubt that this sticker pack will get you excited. The package contains more than 500 stickers. Yes! You're reading this right, 500 Overwatch sprays. Stickers bundled in separate categories such as themes and heroes. Download: Overwatch sticker stickersFortite Sprays 2 Fortnite is one of the most popular battle royal games right now. If you love Fortnite we know that you probably got into the download link before you read this. The sticker package is definitely worth checking out. Download: StickersFortnite Sprays 2 Memes Fury Face Stickers for WhatsApp Rage Face Stickers for WhatsApp Returns Original Meme Face to WhatsApp. Meme faces used to be on almost every meme post a few years ago and now you can send your expressions through these cool stickers. There are over 20 stickers in the sticker pack and the app weighs only about 3.5MB. Download: Rage Face Stickers for WhatsApp Meme Sticker for WhatsApp Memes is the best thing that has happened to the Internet in a very long time. Well, maybe not quite, but the memes are super-fun and offer up a good laugh. If you're a big fan of memes and scrolling lists of memes all day, then this sticker pack will be in your right lane. The package has almost all the best memes that ever come along including PEPE the Frog. The sticker pack comes in a 14MB download package and is worth downloading. Download: Meme stickers for WhatsApp stickers Forocoches This sticker package app is said to be created by several users of the Forum ForoCoches. The sticker package has a lot of stickers to choose from and also comes with multiple meme stickers. The creator also promises regular updates to add new stickers and sticker categories so you don't get bored using the same old stickers repeatedly. The Forocoches sticker is only 6.4MB in size, so you can download them within minutes and start using stickers on WhatsApp. Download: Stickers Forocoches How to Create Personalized Stickers on Android Troll Meme Emoji for WhatsApp Download: Troll Emoji for WhatsApp Pacotao de Memes - WhatsApp Stickers Download: Pacoto de Memes - WhatsApp Emoji Stickers Bigmoji - Stickers for WhatsApp Stickers Package includes the same stock of Android emojis. If you're an emoji person, this package will definitely satisfy your emoji cravings Chatting on WhatsApp. The only downside to the package now is there are only a few emoticons available in the package. We hope the creator adds more stickers in the future to make the package even better. Bigmoji - Stickers for whatsApp file size is a meager 1.9MB and you can have it installed on your smartphone for a long time. Download: Bigmoji - Stickers for WhatsApp How to Get 'Issues' Sticker on Instagram Stories Meep Facebook Stickers for WhatsApp Download: Meep Facebook Stickers for WhatsApp Poopy Emoji for WhatsApp Sticker As the name suggests, the sticker package has a bunch of hilarious poopy emojis.
