Flames of recca manga

Manga and television series Flame of ReccaFront cover of volume 1 of the Flame of Recca manga烈火の炎(Rekka no Honō)GenreAdventure,[1] martial arts,[2] supernatural[3] MangaWritten byNobuyuki AnzaiPublished byShogakukanEnglish publisherNA Viz MediaImprintShōnen Sunday ComicsMagazineWeekly Shōnen Sunday Demographic Shōnen Original run April 5, 1995 – February 13, 2002 Volumes 33 (List of volumes 33 (List of volumes 34), 1997 – July 19, 10, 1998Episodes42 (List of episodes) GameFlame of Recca: The GameDeveloperKonamiPublisherKonami manga portal Flame of Recca (Japanese: 烈火の炎, Hepburn: Rekka no Honō) is a Japanese manga series written and illustrated by Nobuyuki Anzai. It was serialized on Shogakukan's Weekly Shōnen Sunday from April 1995 to February 2002. The 329 individual episodes of the series were compiled into 33 tankōbon volumes by Shogakukan. The series was adapted into a 42-episode anime series for Studio Pierrot, which aired on Fuji TV from July 1998. The series has also generated two video games and other merchandise. Both anime and manga were licensed for American distribution in English by Viz Media. Since then, the anime has been picked up by Discotek Media, which re-released the series on DVD in 2015. As of June 2013, the manga had more than 25 million copies in circulation. Main plot article: List of Flame from Recca follows the story of a teenage boy named Recca Hanabishi, who is interested in ninja and claims to be yourself. He often gets into fights because he publicly made it known that the person who manages to defeat him will win his services as a loyal ninja. Despite this, she eventually pledges her loyalty and services as a ninja to Yanagi Sakoshita, a girl with the innate ability to heal any wound/injury, because of her kindness and compassion. Recca soon discovers that he possesses the innate ability to control/manipulate the flames, and finally learns that he is actually the son of the leader of the sixth generation of the present day of the series, [4] The Hokage ninias carried mystical objects called madogu (小導山). which are known as psychic devices or mystical weapons in the English versions of the series. Madogu grants its users special skills, such as allowing their users to manipulate certain items (as in the case of that allows your wielder to manipulate the wind element) and the strength/skills of its user (as in the case of Dosei no Wa, which increases the physical strength of its user and Idaten, which increases the speed of operation of its user). Oda Nobunaga had invaded the Hokage in 1576 for the purpose of acquiring these weapons, and the series' chief antagonist, Kōran Mori, is looking for a madman who will grant him eternal life. Recca and his friends become entangled in the quest to die for eternal life as he tries to kidnap Yanagi, believing that his healing powers will help him achieve immortality. This leads them to join Ura Butō Satsujin, a tournament in which the Warriors who gathered to fight each other. After winning the tournament, Recca and his teammates discover that Mori was on his way to acquiring tendō Jigoku (simplified Chinese獄, heaven and hell), a madman said he granted his eternal user life, and once again tried to stop him. Although it begins following the same basic story, the anime series Flame of Recca ends just after the Ura Butō Satsujin ends, while the manga includes the subp(s) involving Tendō Jigoku. The anime also omits certain characters from the story, [6] and several of the characters' physical appearances are slightly different from manga. [7] Media Manga Main article: List of Flame of Recca chapters written and illustrated by Nobuyuki Anzai, was serialized in Shogakukan's Weekly Shōnen Sunday from April 5, 1995 to February 13, 2002,[8][9][10] with a total of 329 chapters. The series was compiled in 33 tankōbon volumes published by Shogakukan from 18 January 2006 to 16 March 2007,[13][14] and a bunkoban edition from 15 July 2010 to 15 October 2011. [16] The manga was licensed for U.S. distribution in English by Viz Media and UK distribution in English by Gollancz Manga. Viz released all 33 volumes from July 30, 2003 to November 10, 2009, while Gollancz published ten volumes between March 6 and November 28, 2006. [18] [19] Anime Main article: List of Flame of Recca episodes Flame of Recca was adapted into a 42-episode anime series produced by Studio Pierrot, and released in Japan from July 19, 1997 to July 10, 1998 on Fuji Television. [21] Recca's flame was also emitted on the Animax satellite network in Japan and Asia. [22] Pony Canyon has released the entire series on DVD and laserdisc, while Geneon released it in two DVD boxes on April 22 and June 24, 2005 in Japan. [24] In North America, Viz Media released the series in ten separate DVD volumes between October 26, 2004, and January 9, 2007. [25] [26] Discotek[27] he re-licensed the series in 2014 and released it on DVD in February 2015. [28] There are several notable differences between anime and manga, such as the character (for example, Fūko has purple-violet hair in the anime, Yanagi's healing powers are revealed for the first time when he heals Recca after getting injured while protecting her and a child from being crushed under metal pipes, [30] but in the manga, Yanagi heals Recca when he injures her to go with them). [31] The anime was broadcast in the Philippines by GMA Network in 1999. CDs The flame of the anime series Recca featured background music composed by Yusuke Honma. The series featured Nanka Shiawase (せ, lit. Something Happy) from The OYSTARS as the opening theme, and used Love is Changing (Chinese: Chinese) by Hikaru Nishida and Zutto Kimi no Soba from (ず傍, lit. By Your Side Forever) by Yuki Masuda as her final tracks for episodes 1-32 and episodes 33-42 respectively. All songs were released in singles, and all except Zutto Kimi no Soba were included in the original soundtracks. Flame of Recca Original soundtracks. Flame of Recca Original soundtracks. Flame of Recca Original soundtracks. closing song. [32] Flame of Recca Original Soundtrack Vol. 2 was released by Pony Canyon on May 4, 1998. It includes more background music used in the series along with a special CD drama titled Recca no Honō SPECIAL CD DRAMA: Daitōron Kai Tsuyoi No Wa Dareda?! (「烈火のぺ炎」 は誰だ?!,討 火 Flame of Recca Special CD Drama: The Great Debate, 'Who is the Strongest?!'). [33] Flame of Recca games have been adapted to two games to date. Flame of Recca: The Game (烈火の炎 december 20, 2001) is a wrestling game released by Konami on December 20, 2001 for the Game Boy Advance. [34] In this game, the player selects a character and presses a certain button to make them move, attack, dodge and perform special moves. Apart from having an HP bar, the character selected an energy bar that increases when the character selected and the character selected and the character selected and the character do more damage than normal attacks, and a super move that treats a significant amount of damage. There are nine playable characters for this game released by Konami on June 10, 2004 for the PlayStation 2. [35] A limited number of soundtrack CDs and four-score sets with Nobuyuki Anzai character illustrations were delivered along with the game's CD. [35] Game graphics and full motion videos are made in 2D animation. game uses a split split screen where players have to press different combinations of buttons to make their selected character make specific moves. Certain cut settings require the player to determine what the selected character will do next by choosing a certain set of options. An example of this would be when the player is required to choose whether Koganei will dodge or stay put when the building he is staying in begins to collapse. Flame of Recca: Final Burning features 24 playable characters. The protagonist of the series has also appeared in the 2009 fight game Konami Sunday vs Magazine: Shūketsu! Chōjō Daikessen for the PlayStation Portable. [37] The reception as of June 2013, Flame of Recca had more than 25 million copies in circulation. [38] Jason Thompson, author of Manga: The Complete Guide, described the flame of Recca's manga as polished and fast-paced, and that reads like a more carefully drawn and more extreme version of Yu Yu Hakusho. [39] Patricia Duffield, a columnist for Animerica Extra, felt that history and artwork continually evolved with characters and their unique weapons. Although the series seems to have a tendency towards male fan service, Flame of Recca can be as enjoyable for girls as it is for boys. Duffield concluded, If much ninja action with supernatural style interests you, give Flame of Recca can be as enjoyable for girls as it is for boys. Duffield concluded, If much ninja action with supernatural style interests you, give Flame of Recca can be as enjoyable for girls as it is for boys.
