check back regularly for the latest information. SEE NOW: POKEMON SWORD AND SHIELD VIDEO GUIDES You can find information on the following things here: If you weren't aware, there are two expansion passes available - one for each game. It's important to purchase the right expansion pass for your game, whether you have Sword or Shield. If you've made this mistake, here's how to fix it. The expansion pass is now live for everyone to play! A range of new games were announced today including Pokémon Sleep, Pokémon Cafe Mix, New Pokémon Snap and many updated to Pokémon GO. Armor Island will have level scale, which means no matter what level you're in, you won't have to be by the level of your opponents. Demetrius Rogge, Nintendo's product marketing specialist, confirmed that Pokémon in the wild and those belonging to trainers will climb alongside their own: they can climb to level 100. Get ready for a bit of new Pokémon in the Armor Island DLC. New Pokémon means new ways to evolve! Here it is: evolution guide. The new trailer shows a bit of new gameplay and confirms the release date for June 17. You can see the new illustrations here. Details of the new Armor Island will arrive tomorrow, June 2. He gave more information about the legendary Pokémon, new costumes, a reserve bonus AND a small update on the release date. Pokémon Sword and Shield information begins at 25:30 Armor Island is the first DLC in the Pokémon Sword and Shield expansion. Armor Island seems to revolve around the theme of "Growth". Located on an island, located east of the coasts of the Galar region, players will be able to relate from where their adventure left off to the main game. Complete with new Pokémon, characters and costumes, the Armor Island is full of beautiful nature. It also features a Dig for Pokémon battles, where you will take an apprenticeship under the person who runs it - your name is Mustard. Mustard is your new mentor and champion Leon's former mentor. The expansion will feature open and trouble-free gameplay, as will the wilderness, allowing players to roam freely and control the camera. Maximum rad battles will also return. Armor Island is inspired by the tale of Man. Armor Island is located off the main coast of the Galar region. So far some landmarks stand out such as: El Dope - located to the south of the map. Wild zone - extends along the coasts of the islandZones with two fists - Red is the tower of darkness, which is located to the north and the blue is the water tower, which is located to the west. Cave - The cave can be found in the north of the island. The Pokémon Sword and Shield Expansion Pass will be released on June 17, 2020. The expansion pass will be launched with Armor Island and The Crown Tundra will arrive later in autumn 2020. Be sure to check out our tips, tutorials and guides related to Armor Island. The game is just Nintendo Switch, via Nintendo eShop. The trailer and gameplay were shown in the latest Pokémon Direct on Nintendo's YouTube channel. You can take a look at the whole Direct here. New features in the game include: New costumesNew Pokémon and legendaryA new area to exploreNew Giganamax forms. There are also plenty of new features we want to see, such as a new evil gear, improved raid battles and a bigger challenge. You can read about the new changes we want to see here. Within the Pokémon Expansions, there will be new Pokémon. The expansion pass will bring different Pokémon to each version of the game and has brought over 200 known Pokémon from previous entries. check out the Pokémon we'd like to see come back here. On Armor Island, your new mentor Mustard will entrust you with Kublu. Kublu is a fighting-like Pokémon that evolves in Urshtlu. Once you have Kublu, you'll take the Two Fist Towers. You will enter the Tower of Darkness or the Water Tower (you can only choose one). Kublu must face this challenge alone and once he has conquered one, he will evolve in Urshtlu. Urshtlu has two different styles and you'll learn one Tower that takes you to take: one-stroke style (Tower of Darkness) - a fighting style and dark type that offers a single blow at lightning speed Attack Style (Water Tower) - a fighting style and water type that focuses on unleashing a torrent of rapid attacks. It also has a Giganamax shape with a new skill and a new movement for each of its two styles. Zarude is a rogue monkey without Pokémon genre - a Dark Pokémon / Grass. Zarude is ready to appear in the movie Pokémon / Grass. Zarude is ready to appear in the movie Pokémon 23 and is currently unknown when or how it will appear in games. could appear in the expansion step? You can read all about Zarude here. Your titular Pokémon will earn a form of Giganamax as a reward for their adventure on Armor Island. All three will have powerful and unique moves: Ribaboon - G-Max Drum SoloCinderace - G-Max Friedbattereeon - G-Max Hydronage Despair Game Freak deciding not to include Mega Evolutions, instead of going to have Dynamaxing, it seems that some objects have ended a possible return in expansion passes. Here's what the data miners found: Blue Orb and Red Orb - help Groudon and Kyogre submit to Primal ReversionMega Stones - this could point to the return of Mega Evolutions in Pokémon Sword and Shield if you have Pokémon Sword your new rival will be Kiera, who is a poison-type user. If you have Pokémon Shield your new rival will be Aweryn, who is a psychic type user. New costumes will arrive in the Pokémon Sword and Shield expansion pass. Now there are over 100 new ways to customize your look with added clothes and hairstyles through the two expansions. The expansion pass price will be \$29.99 and is available for pre-purchase. The expansion pass will cost 29.99 euros in the UK. It is not known whether the two expansions can be purchased separately. Pokémon Sword and Shield has also introduced some new updates to the base game. Ribaboon, Cinderace and Inteleon will receive new Giganamax forms that can be used in new locations. Sword and Shield also plan to introduce three new features: Tasty Movements - including all new movesLapricorns - can be done in Poke BallEgo Charm - Earn More Ego Points. For your team New costumes, accessories and tools will also be available for your bike. Even if you don't have the expansion pass, you can get the new Pokémon only earned through the expansion pass through Link Trades. You'll have a higher chance of running all Giganamax: Colossal (Sword)apex (Shield)Eagle (Sword)Apexian (Shield)A software update launched today will be launched today. When you receive it, head to Wedgehurst Station, where you'll be Kiera (Sword) or Awey (Shield). To you can meet a Slowpoke Galaro, which you can catch. You can then evolve with a specific element. It will evolve into Galarian Slowbro on Armor Island and Galarian Slowking in The Crown Tundra. Players can now access the Nintendo eShop from the in-game menu. When you purchase the expansion pass, you'll gain access to a Pikachu and Eevee costume. The new Sword and Shield expansion will bring many new features. While the expansion is divided into two separate stories, they will share many similarities and differences. Pokémon Home is now live and players can happily transfer their Pokémon app to their sword and shield game. It's a great opportunity to prepare your team for the new expansion, as older Pokémon (not previously included in the game) will now be available. We've also received information about new moves, skills and objects thanks to data miners! You can read more about Pokémon Home here. \*Clinty may receive a small commission by clicking on a link to one of our items on a retail website and making a purchase.
