The food court caters to most of the students' tastes by offering a variety of popular food options every day. Some of our students prefer to choose similar foods every day, while others choose from different positions depending on the daily offer. Throughout the school year, we continuously evaluate menus and implement changes based on students' input. We welcome and seek to respect suggestions and requests for new menu ideas. Click here to see the food court stations that are featured. Merrill Area Public Schools (MAPS) serves preschoolers on The 12th.
