iPhone 6 plus phone case otterbox

The image is not available forColour: Founded in 1998, Otter creates protective Czechs for electronics. Otter offers 11 different categories of cases. One is the OtterBox for Apple iPhone 6 Plus.What is OtterBox? Built of plastic ABS and reinforced with fiberglass, OtterBox offers the iPhone 6 Plus polycarbonate and silicone case that fits on the edges and back of the phone. What series are available for the iPhone 6 Plus? The Defender Series case is OtterBoxes' flagship product for the iPhone 6 Plus, but there are six different options in general. Choose the one that best suits your personality and lifestyle. Your options: Commuter SeriesDefender SeriesStatement SeriesStrada SeriesSymmetry SeriesUniverse Case SystemWhat distinguishes various OtterBoxes? Suburban: This OtterBox for the iPhone 6 Plus is a slim design that has two-layer protection. Defender: OtterBox Defender offers wide bumper guards around the iPhone 6 Plus. Features included in the Defender are presented as follows: Built-in screen protectorInner and outer shell to protect against dropsBelt clip and loud kickstandStatement: OtterBox Statement is designed exclusively for iPhone 6 Plus and 6s Plus. Protects against drops and scratches. It is created in a clear finish to be able to see the phone itself through it. Strada: Strada is a genuine leather body that has a slim profile and includes a leather sheet, card holder, and magnetic latch. Symmetry: Symmetry OtterBox is the finish of one part of the lid for the iPhone 6 Plus. It offers a wide range of style options such as patterns, opaque colors and translucent colors. Universe: The universe for the iPhone 6 Plus is created with a low profile that supports a wide range of modules such as the following: Additional BatteryCard readersFlash drivesDo these fit all plus and not plus iPhone 6 models? These cases are designed specifically for the Plus iPhone 6 series. This means that cases fit the iPhone 6 Plus and iPhone 6s Plus. The cases for the non-plus iPhone 6 are designed for the iPhone 6 and iPhone 6s. Each iPhone series will have its own specific OtterBox designed for its fitting. What colours is the OtterBox series available in? There is a wide range of colors available, depending on the series for the iPhone 6 Plus. For example, the Commuter series may be available with a bright green shell with a different color, such as blue, for slippoye. The defender, on the other hand, is easily available in black. There are also variants of the pattern with both leather and polycarbonate finishes.
