Honestly, I owe you a great time, this series is BLEW MY MIND. Wollstundig Anzeigen... I was a little apprehensive because I was afraid that it would ruin my view of the world of ACOTAR because it was so different, but MAN IF YOU'RE STILL HESITATING TO READ THIS SERIES, REALLY GO AHEAD ALREADY! And I don't post about it because I like posting about books I've read rather than being hypocritical about my recommendations - not what any of you guys are. I just like to express my opinion as SUPER strongly. This series is all, although I've had some problems with the last two books, it's seriously everything. One of my favorite series of all time is used for the ACOTAR series, but INTERVIEW, this series can BEAT IT!!! I mean it's the same author, so I just go ahead and say I love SJM and everything she writes. In any case, READ THIS SERIES, BOOKS GET BETTER AND BETTER LIKE NO OTHER SERIES HAVE BEFORE (well except Harry Potter, maybe?) AND IT'S REALLY AMAZING!
