Bicycle traffic sign meaning

Nothing in this world is worth doing alone. Ranger Smash Extreme Endurance began as my journey as a retired U.S. Army Ranger, and the amazing support team motivated me as an 100-year-old endurance athlete. My military career was brutally cut short due to numerous combat-related injuries, forcing me to retire early. The biggest key to my transformation/rehabilitation is exploring the benefits of an extremely health-conscious lifestyle: specifically targeting competitive endurance races/training. -Derek DuttonThis channel is coming soon!
