Fire emblem three houses lecture questions seteth

Game In Fire Emblem: Three houses will be held after the first lecture day of each month, and a student will ask Byleth a lecture question to answer. The amount of faculty levels will change depending on your selection. This is not related to students who are asked about technical goals. The amount of faculty level you get depends on your current ranking. Best-bonus faculty level EXP, +50 motivational intermediate-base faculty level EXP, +25 motivation worst-basic faculty level EXP, choosing the best answer will give students 50 motivation as well as a bit of byleth bonus faculty level EXP. If you choose one of the other two answers, you can get a set amount of faculty-level EXP. This page lists all student lecture questions and answers in Fire Emblem: Three Houses. This guide is in progress. The bold answers shown below are incorrect answers that have not yet been corrected. Some answers require confirmation. Some of the post-time skip answers include spoilers. Students are asked questions once a month after the first lecture day of each month. Want more fire emblems: Three houses help? Check out our full fire emblem: practice with three house guides ranging from beginner tips to advanced strategies. Student Lecture Questions and Answers: Before Timeskip, do you know how sometimes ordinary girls can be more popular than outstanding beauty? Or do some people prefer vice-count when they can work with the aristocracy? Why do you think so? A nice meal is boring if you eat them every day. When a professor lectures a large number of students, some professors will inevitably have trouble catching up, while others will be too ahead of their studies. I wonder how this problem can be solved... Perhaps we should create an optional ad for the lecture. Scroll to keep up with interesting ideas like you've got, professors, but tell me this: What would you do if you received the task of teaching a topic that you didn't understand yourself? I will take the time to study the subject before teaching it. Soon I will eat everything they have to offer in the restaurant. So what do you do? Do you keep eating the same boring meal over and over again? You just have to enjoy what you've got well. Sorry, but you can probably just skip me. I have no questions to ask. How will I think of that one? I am an avid weapons collector. But since I started living here, I've had much more trouble finding new items for my collection. Any ideas for where I can find any rare weapons? Ask the blacksmith to teach you how to make your own. When I give lectures I'm not interested in, I get that... Sleepy. I just can't fight. I just have to give up, you don't think? Do you close your eyes and enjoy a peaceful sleep? You don't have to fight. Are you Help it. Ad. Continue scrolling with more questions. I wish for an improvement in my lance skills. But I have uncertainty about how to train effectively. What should I do? Study other people's movements for improvement. Lectures on strategy or reason require too much focus. And I ended up absolutely famished! But if you go to class after a big meal, you can't help getting sleepy... Bring a snack in case of emergency. I... I was afraid to walk through the monastery at night. It's disturbing how dark and quiet the place gets! How can we overcome fear? Think of it as training for night marches. I enjoy a good ghost story, but I have never seen ghosts in real life. I want to have that experience for myself, even once! Maybe you need a ritual to summon one. Art is my fortress. Even when I apply myself and sketch tones, I don't seem to improve much. I can imagine the image so perfectly in the head, but I turn to something physical that makes me feel good about evading... Don't worry about the end result. Just keep practicing. Ad. It's not forte to keep scrolling for more magic. Being a talented swordsman, I think my time served to practice the most knife play skills. Why should I waste time attending lectures to improve my magic skills from the mundane to the average? Knowing the magic will make you a stronger swordsman. I had served his deceased for four years, but he avoided all my attempts to learn his favorite food. Maybe he just likes everything. I tried to win her heart, but neither of her fancy gifts or witty stuff worked. Do you know the secret dating tricks I can use to win her heart? Stay away for a while and she starts to miss you. No matter how weapon, it can't be wielded properly without enough strength and stamina, no matter what skill one can possess. I'm using a variety of training techniques, but I feel like I've been lacking in all of them lately... Focus on one technology at a time. It was a fascinating lesson, but now my brain has been fried. I feel I need a change of speed to activate me. What do you recommend? Guests can take a stroll around the monastery. Ad. There's so much to keep scrolling for more, and there's not enough time to do that. Sleep is a nuisance, but my mind doesn't want it, but it forces my body to slow down. Are there any tips to get rid of tired feelings? It is best to sleep when you are tired. The ladies are giving me a cold shoulder, late, and I believe because they are intimidated by my noble being. How can it be better... Access? It sounds like their problem, not yours. Everyone in the restaurant says they want to eat meat and fish, but everyone in the restaurant needs to eat vegetables! I'm not going to get filled with silly leaves! Eating Helps the muscles grow. I don't care about being pretty or anything, but some people bother that I don't realize I'm a woman. They are wrong, no heart to them, well pay, excuse me... Can you help me? I always feel like I'm watching. I'm so nervous that I can't sleep at night... You may be right. Be careful. Ad. I hate to clean the room while continuing to scroll for more. It's so boring and, to be honest, I'm a little lazy. But I hope my room doesn't get messy. Who do you think I should organize for me? Ask someone who is good at cleaning. I'm not very good at sharing my opinions. Usually, I just go with what others think. I don't want to bother anyone. Um... They appreciate your feedback. Let's listen to ourselves. When I ask them to participate in the experiment, even the most diligent students run away from me. No matter how sincerely I plead! Do you have any suggestions? Make your experiment a work and pay for it handsomely. Some people hate spiders or gone, but there are no strong feelings about paris or cricket. Why is that? They may all be bugs, but they are the same as other species. Maybe you can answer the question I had for a while now... Why don't men like messy women? Men expect unrealistic advertising. As I continue to scroll as a member of the Templars, I sometimes serve missions by boat. But I have a bit of a weak stomach... What can I do to tamp my sea disease? Medicine and magic will help me talk to men and make friends with them, but my brother is always causing the same fuss when I do. Do you have any advice for me? Do it when he's not looking. One of the students continues to challenge me to fight, but he doesn't know how to wield a knife. It is a waste of time for all of us. What should I do? He drops a hint that a new training partner is needed. I'm really happy here, but there's someone who decides to get up and make me compassionate. Without asking! It's really irritating, and I want them to know it. I just don't know how I can understand myself. Show how happy you are to work here. Portland has been around for a really long time. In other words, treasures are loaded. What do you think I should go about finding it all? Advertising to survey local folk in different regions. Keep scrolling for more debt friends, but whenever he gets his hands on some money, he ends up giving it to someone he thinks he needs more. Is he going for all the wrongs? Why not split the money in half? The classroom is so withering. All that confusion gives me headaches after a while. I can't stand it. I hope you can indulge me in a candid answer. Professor, so I can have a good laugh. As a noble man, can I name one thing I lack? Every time you send To her mother, food or food, she insists that she does not need it. How can you make her happy? Lecture Questions and Answers: After skipping time I heard rumors about ghosts wandering the monastery... I'm definitely not afraid, and I don't have time to worry... Uh... You should probably do something about it, for others! Let's bring more candles into the hallway and brighten things up. Ad. Continue scrolling what more people call blade breaker Captain Gerald. If I want to be a top-level mercenary like him, I need my own tough sound title. Please help me? I prefer to use stealth tactics to assassinate my enemies on the battlefield, but you take a different approach. Why is that? These tactics do not give enemies a chance to surrender. Those with weak will seldom care about how they govern, but Mrs. Edelgard wants to open her eyes. How will you achieve this, from her position? The only way to help them is to educate them. While I am fighting more, my arrows are decreasing in quality. They don't fly away and have less accuracy. What can I do differently? The new suspension line can help you shoot with more power. I sometimes find books written in languages I have never seen before. I want to read somehow, but I don't know where to start... Do you have any ideas? Use linguistic cues to piece things together. Ad. If you keep scrolling for more, you want to knit a animal doll for someone, but I don't know what kind of make it. They like eagles, lions and deer equally! I don't know what to do... Why not one of each? Hey, Professor! I think I'm ready... I think it's time you finally gave me a nickname! What does a man do to get one? You actually have one, but it's too scary to say it out loud. The anniversary of Gerald's death is approaching. I would like to put something in his grave, so he knows that we are thinking of him. What stuff will make him the happiest? I took this knife for a long time. It is up to me as much as a hand to hold it. However, good blacksmiths can make weapons more effective and durable. Do you have to stick with old familiar knives, or do you need to obtain better knives? Get new weapons. Give it time to train. Death is an inevitable consequence of military conflict. The soldiers put their lives down on the battlefield, as well as the warhorses, who say nothing on the line of work. What steps can the commander take to minimize this loss of life? Adopt new tactics to increase your viability. Ad. I know that this is very unlikely if I continue scrolling for more, but there is a possibility that Leah will surrender to my condition, but what should I do? I appreciate your thoughts on this issue... Remove her of her power so that she can interfere in politics. All these savages, every day, depressed. You have ideas for interesting things that I can make you feel better, Professor? Why don't you ask a woman? Some of the children were admiring my paintings. I want to paint a new work. Something for them, make them happy. What do you think I should draw? I can not see my brother these days, so I send gifts instead. But my brother does not ask for anything. I do not know what to give him? Maybe you should send him some books. The song is so powerless, professor. No matter how much you sing, there are no soldiers on the battlefield to listen to. It is terrible that we can only sing peace in times of peace. If we can achieve peace, the song will not be a force. Ad. Continue to scroll more, thinking that alcohol consumption will increase as we continue to fight, after every day... Oh, what it means for the monastery. All in all, dear. Not only me. Nevertheless, is it something we should be careful about? Focus on your intake. I would worry about others. When I do nothing but fight, my soul shakes and I lose the will to keep things clean. Is there any way to break this cycle when my room falls into disorganized, and my soul shakes more? Take a break and work to raise your soul. Fishing truly calms me down, but it takes a lot of time. What do you think you should do if you feel too uncomfortable to visit the pond? Write a story about fishing that doesn't make much of a difference between Almira and Podlan. But others seem to think that Almira is completely different. Why is that. It's a prejudice against unknown places, nothing more. There are tactical questions, professors. Let's say you're leading an army, and you're leading an enemy. What would you do in that situation? Push forward. Punch hold on to their formation. Ad. Just think about how to keep scrolling for more, even now, there is someone fighting for something. And I just don't seem to sit still, during my break. What should I do at such a time? You can help with my daily work, if you would like to see the cathedral in such a run-down state it feels so sorry for the goddess... When this is finally over, I will devote myself to making this place more beautiful than ever! Planting flowers to make it more colorful will soon come when we have to do all the partial ways. I get so sad thoughts about it.... Still, it's not practical to keep focusing on this. The goddess always protects everyone. People in northern Faerghus are accustomed to the cold. Gareg Mach is located at the top of the mountain, but the summer heat is unbearable for soldiers from the north. What can they do to increase their morale? Cooling in nearby rivers is always a good option. Whenever At home, my brother came in for everything I was doing wrong. It's so tiring, I wish he could live my life again. What do you think I should do? Yarnier is back to him! See how he likes it! Ad. As I continued to scroll for more, I had to leave my little sis to take care of my little sith while my grandfather was away. I thought I should send him something good to say thank you. Any suggestions? Time is hard... I went under my favorite food cart to sell the most amazing grill. I don't even know what to buy anymore... Maybe after the war, the cart will reopen. Given the current situation and the strength of our command, we must rely on mercenaries, but we have no loyalty to our territory or our masters. I'm anxious about hiring a knife seller, but I have to feel it. Mercenaries, but some people betray your trust I've always been convinced of my outstanding skills... These days I admit that I have experienced some minor doubts. What can you do to regain your confidence? Remember everything you did, you may believe it was useful. I desperately wanted to travel to some of the places I spent time with my mother, but I couldn't really leave the monastery wall for such a thing. It makes me so sad... Is there anything I can do? Close your eyes and pretend she's with you. I thought it would be nice to keep scrolling for more to throw a big feast for everyone, but we lack surplus supply. Are there any recommendations for cheap and delicious food? Soldiers who can't fish in the river have recently been dissatisfied with food, and complaints have been bad. What should we do? Maybe we should hold cooking classes before I did business and the town was deeply affected by the war. I was thinking of selling food there now - how do I go about it, in light of everything? Give up on a deal that you can repay later. I think it's my duty to present the world with magical innovations, but my design seldom has utility in battle. How can we overcome weaknesses in this area? Practice is the way to improve. Continue the experiment. Fights don't usually wear me, but five years is a real long time. I'm not a strategic genius, but I think we should get this done as soon as we can. Are you? Ad. I want to wake up at dawn and sleep at dusk, but being in the army breaks my daily routine. What should I do if I am sleepy in battle? The best pace you can do it feels strange to ask you questions as if I were your student, but I wonder... What do you think is the most important thing a tactician can do? Both developers intelligent systems, Koei TecmoSeriesFire emblem emblem 3 house screenshot view all fire emblem 3 house artwork view all
