The shadow effect debbie ford

T H E S H A D O W E F F E C T A Journey from your darkest thought to your greatest dream. The shadow effect is an emotionally immersive, visually compelling dokudrama that reveals why repressed emotions and unresolved internal conflicts lead to behavior that constantly liberates politicians, destroys celebrity careers, destabilizes the economy and affects the lives of millions every year. In this era of public humiliation and media collapse, new York Times best-selling writers, Debbie Ford, continue to make progress in exposing the opposing forces of both light and darkness competing for attention inside every human being. In his film debut, *The Shadow Effect* Ford presents the Hidden Power of the Shadow, along with some of today's most provocative thinkers, including Deepak Chopra, Marianne Williamson, Mark Victor Hansen, James Van Praagh and others. On this life-changing journey, people who have surpassed child abuse, racism, the Holocaust, war and the upbringing of the wounded tell their remarkable stories. Meet those who have learned to face their horrors, heal their wounds, and embrace their higher heroic ally to overcome the shadow effect. **T H E S H A D O E F F E C T I N T E R A C T I V E** To inspire and force the viewer to take the evolutionary leap, Ford has integrated some of its most successful and proven processes into the high-end Special Interactive Edition of *The Shadow Effect* edition. Throughout the film, Ford guides the viewer through eight rehearsals aimed at revealing the shadow effect in their own lives, offering them opportunities to overcome personal limitations. Debbie Ford, the New York Times best-selling author of *The Dark Side of the Light Chasers* and *Why Good People Do Bad Things*, is an internationally acclaimed human bullet expert who has led thousands of people around the world through her renowned Shadow Process Workshop. In this groundbreaking film, he reveals the dangers and promises of a human bullet and the gifts it provides. Inspired by the famous psychiatrist Carl Jung, Debbie Ford is a pioneering force that incorporates shadow research and integration into modern emotional and spiritual practices. Ford has appeared on Oprah, Larry King Live, Good Morning America and other major media shows around the world. His books and praised workshops have set new standards in the field of change.
