I am a living resident of The O.K.County and have been awarded to serve as the Cleveland County Clerk/Register of Deeds since 2013. I am an attorney, certified election/registration administrator, former Realtor, former state representative, akali partner, member of the Michigan State Bar and the Cleveland County Bar Association, and proud mother. I'm running for re-election to provide an accessible, efficient and financially responsible office to Residents of The O'K. County. I've saved millions of dollars by Increasing Taxpayer Performance and Access. I have received national awards and attention for modern programs I have been applying to the office. More than now, it is necessary to register with a clerk/registration in every area of this important office to serve in this role. I'll build on my track Success to promote access, transparency and accountability. 1) Continue to provide access to services, as I have done during a global pandemic, by opening a satellite office location, and the program I pushed for, such as eliminating fees for ex-service cards, reducing birth record fees for age and reducing fee/waiver programs for people facing extreme hardships. 2) Apply a new program platform to the Office Register of Actions with new technology and the terms of this agreement are fulfilled. I will continue to cheat and empower with winning my award first of its kind program, Property Record Notification (PRN), Free Alert System. 3) I have to make sure everyone has access to the ballot so I have held voter registration drives around the county. I will continue to train and voter education survey workers to help reduce the number of bad votes and ensure that our elections are accurate, safe and fair.
