## Sushi cat 2 kizi

In the second part of the game Sushi Cat, Cat came with his favorite toy in the shopping center of Tokyo Mall. While he chose the same sweets, the evil dog noticed her toy, and she really liked it. The dog stole the cradle and hid himself in the elevator. The cat ran out, but couldn't get to the elevator buttons. As always, he came up with the idea! To grow we need to eat sushi as much as possible. So, thanks to you, the cat firmly put on the weight of the first levels. When he got to the elevator, he saw that the dog was missing in the cinema. The cat ran to the box office to buy a ticket and follow her, but the ruthless cashier said that the movie is not about small kittens, and it's still growing. This isn't the first time our cat has eaten sushi. His huge stomach is able to pick up a ton. Sushi Cat 2 again pleases us, not only the original game, but also fascinating storytelling, nice music and a cozy atmosphere. Description Sushi Cat 2 is the sequel to a cute funny flash game about a blue cat in the form of a ball. You don't have to be an eccentric cat lover to enjoy this carefree puzzle. Funny animations, quirky characters, and a simple action consisting of the usual mouse click at the right moment, will bring joy to those who are tired of monotony, and are looking for the original game. In part, you have to rely on luck, because after you release the cat to eat sushi, you will not be able to control it, everything will bring gravity. You will have enough time to fill the stomach of your cat. Innovation Now you should eat each round of 25 to 30 sushi. You have 5 attempts in each level of the game. Each level has 3 golden sushi roll. If you eat them, you can buy in the store cool clothes for your cat. Among the new bonus appeared supermarket sweeping. If you eat them, then you will be able to absorb any sushi roll to the game by simply clicking on them with the mouse. Be agile, you will have very little time. Take advantage of the opportunity to eat the most difficult sushi. Now you can play cat pinball. Living at the beginning of each level you have 4 lives. The number is indicated in the upper left corner. However, if you eat sushi special, you get an extra life. Multipliers Depending on the type of sushi roll you eat, the points can be multiplied by a certain factor (x3, x6, etc.). Sometimes the points are doubled. In addition to that, if you have filled your stomach and eat more, everything is eaten in excess of your bonus points. Cheats Although we couldn't find Easter eggs or cheats for this game.
