## Directions to new orleans armstrong airport

Some are flying. New Orleans International Airport has an array of quick service Is scheduled to remain open on November 6. Staff photo By David Grunfeld, the rental car facility will remain on the south side of the airport campus. Passengers can access the facility by taking a shuttle from level 1 of the long-term garage to the South Side Rental Car facility at 600 Rental Car Boulevard.Help! I left the old terminal and came back to the new one! Take the free park MSY Express Economy Garage Shuttle, which leaves every 10 minutes from the front of the new long-term garage and goes to the former long-term garage. From there, the signs will direct a lot of other people. What happens to the old terminal? It will no longer be used as a terminal, but its future use is still undetermined. According to MSY, a land use analysis is being carried out to ascertain the best use of the property. utility.
