What many people don't realize is that there are ways to make money with your phone with lesser-known mobile apps. So if you wanted to earn some extra money or save some money, check out these 11 mobile apps to put some extra money in your pockets. We're serious. 1. Earn rental money by playing games on your phone (android only) Instead of wasting playing time and not being productive, you can now get paid to do it – win-win! Getting paid to play games on your phone seems like a dream, but this new app really pays you to play games. It's a legitimate app with over 41,124 positive reviews on the Google Play Store. Does that sound like fun? You can download it from the Google Play Store here, and start playing free games for cash rewards. 2. Play free daily scratch cards to earn money If you like the feeling of buying lottery tickets or scratch cards and dreaming about money? you are about to win - so you seriously would like to play Lucktastic (download only for Android). This free app offers the same daily scratch cards you find on your local site Store – but here you can play for free and earn real money. I was hesitant at first, but this gaming app has over 327,695 positive reviews on the Google Play store. You can win up to \$10,000 in card cash prizes and there are daily draws of \$500 amazon gift card. The payment limit is only \$2 and you can have daily opportunities to earn big by downloading the Lucktastic app for free. You want to try it? Download Lucktastic for free (Android only) to play scratch-offs and earn money on your phone. 3. Earn money to share your opinions Another app that offers the opportunity to play games for real money is InboxDollars. If you sign up before the end of this month, they also give you a \$5 free bonus just to try. By spending only 5-10 minutes a day on this (whether on your lunch break or during commercial TV breaks) you can win and earn an extra \$50/month just to play games. They also offer you the opportunity to earn money to share your opinion and complete surveys. If you are interested in getting paid to do searches, you can see some of the best search apps here. More people should be doing this. 4. This company will pay \$50 for installing its app This is one of the best passive income apps that requires less work. That's what you need to do to install the Nielsen app on your favorite internet browsing device. It's very simple. If you're already sold - you'll be ecstatic to know that they also give \$10,000 a month, so you're about to do even more. If you are interested, I recommend that you sign up for more Nielsen information by clicking here. 5. Cancel sneaky subscriptions that are draining your bank account One thing I've discovered is that the easiest way to get more money is simply by saving more. But most people are used to their standard of living, so it can be difficult. That's why I was pleasantly surprised to learn about a new app that automatically reduces your accounts and cancels forgotten subscriptions. Within a week of using it, I saved \$230.34 and it is very common among users to save even more. In fact, this free app has saved more than \$15 million for its users to date! If you want to see if they can download their accounts, download it for free here. 6. Cash score doing surveys So let me preface saying that I'm not a fan of wasting my time doing boring searches. But this is one of the best ways to make money on your phone, quickly. Junkie Search allows you to get paid to do online searches of brands that you use every day. You too Join focus groups, try new products (free stuff, yay!) and get paid to listen to new music. This is a legitimate research company, and you can start with a registration bonus here. 7. Mark \$10 today by signing up for a top rewards app If you're waiting for your next payout but want to get paid today, then sign up for Swagbucks. Mistplay Mistplay If you have an android device, you can download this app and start receiving cash rewards for playing new games. Patience Cube (iOS) - Making money playing games on your phone seems like a dream. But this app really pays you to play solitaire with cash rewards. Lucktastic (Android) - This free app offers the same daily scratch cards you find at your local convenience store — but here you can play for free and earn real money. They are a legitimate rewards site and pay for searching the web, shopping, discovering online content, watching videos and doing fun and well-paid searches. They offer a free \$10 welcome bonus when you sign up. Just sign up and start today by choosing the highest-paid searches that pay up to \$35 each and take less than 10 minutes to complete. 8. Getting profitable returns by investing in real estate with only \$500 Fundrise is a real, much better and desirable alternative to stock market investment. With Fundrise, you deal with the private real estate market that allows you to invest as the super successful institutions. You don't have to be a millionaire to invest in these types of properties. Now you can invest in large-scale real estate for only \$500 with Fundrise. Through their real estate investment products, investors earned an average of 8.7 – 12.4% in their money last year, and all without painting a wall or dealing with unruly tenants. There is a reason why they currently have over 200,000 users, this app really pays you! If you are interested, I recommend that you sign up for more information from Fundrise by clicking here. 9. Get paid only to unlock your phone (android only) Interested in earning gift cards just to unlock your phone? If you literally wanted free money in exchange for a money lock screen app by placing ads and content on your lock screen — then you can earn \$1 every 2-3 days. Which is about \$96 a year... talk about passive income. Every time you unlock your Android phone, you can get points that you can redeem for gift cards (Amazon, Target, GameStop) — you get the idea. The best part? The draw limit is only \$1, which can be won in a few days (it took me 3 days of use). This app is legit and has over 21,063 positive reviews on the Google Play store. If you are interested in making easy money, click here to download the free app (Android only). 10. Earn over \$1,500 fast easily with a Yup spare room, it's true!
