Family resource center el cajon

CA DSS – Department of Social Services In California, eligible for food benefits and/or cash support is determined by the local county office. This is the local county office. CalFresh is the state's California Food Stamp Program, also know how to SNAP. This is a county running the Federal Program. The benefits are foods or foods in a healthy dietary diet. Electronic preference cards, EBT, are used to purchase CalFresh goods. The population requirement for CalFresh: For CalFresh households, except those with a population (60 years of age or older) or disabled, or where all participants receive cash assistance, are subject to gross and net income-fixing tests. Gross income - all inextricable income from any source, including all earned income and all unearned income. The maximum gross allowable is 200% of the Federal Poverty Level (FPL) [except for households that have been convicted of household with some convicted drug felons (until April 1, 2015) or households that have been convicted of intentional program violation]. If a household passes the gross income test, the net income test shall be calculated. Net income shall be calculated by deducting, where applicable, from gross income. The resulting amount must not exceed 100% of the federal poverty level. Opening hours: Monday to Friday from 8:30 to 17:00.
