While you'll certainly want to look down when you're mindful of the gap between the train and the platform at this iconic Big Apple landmark, be sure to keep your head up as you pass through the main hall. You certainly do not want to miss the famous heavenly mural, the collaboration of artists and astronomers, which is decorated with famous constellations such as Orion, Taurus and Gemini. Like Union Station, it consolidated passenger services from Union Pacific, Santa Fe and Southern Pacific Railroads into a single transit hub, architecture Colonial, Mission Revival and Art Deco in a unique style known as Mission Moderne. California's classic aesthetic is most evident in the 11,200-square-foot lobby, which features an arched entrance, six 3,000-pound brass chandeliers and terracotta floors with ornate enlaid marble. Opened in 1881 as a railway depot, Union Station was conceived as an intermodal transit station. After more than a decade of planning and construction, the complex now has a terminal building, train station, underground bus terminal, hotel and open-air train hall. Beaux-Arts-style arched windows, metal canopy and ornate corneas announce their 19th-century architectural sensibility in Denver's modern central business district. Experience a taste of Europe in the one-time capital of the Confederacy when you visit this National Landmark, which dates back to 1901. Located on Richmond's Main Street, the radiant Second Renaissance Revival depot and its steeply mown roof would look just as good as a house on a grand boulevard in 19th-century France. While all other intercity terminals in Chicago have been closed, this one has been strong for more than 90 years. Every day, about 140,000 commuters rush up the marble entrance stairs and through the 110-meter atrium of the Great Hall in the style of Beaux-Arts, which is illuminated by a skylight in a barrel vault. More than 40 million people descend on this intermodal transit station each year, some rely on it as a stopover on their way to Baltimore, Boston, Philadelphia or New York, while others simply admire its timeless design. Architect Daniel Burnham was inspired by the statue of the station hall from Diocletian's Roman baths and the façade of the Arch of Constantine. Related: 35 Strange But True Facts About America Philadelphia's main railroad station is a melange with a head-turning design. In the Art Deco hall, a 95-meter coffered ceiling, retro split-flap display and great chandeliers lend elegance to the old world for everyday commutes, while a well-hidden bowling alley, hospital and chapel turned morgue add an element of mystery to a station that sees nearly 30,000 commuters and other travelers on a typical weekday. Greater Boston's largest train station should be a stop on any self-contained architectural walking tour of Beantown. Though the clock on this neoclassical depot echoes London's Big Ben, the eagle rises above and New England come with granite blocks that form outside to put a distinctly American stamp on it. The Baldwin steam locomotive on display at this Amtrak train station has been out of service since the 1950s, and this is not the only feature of San Antonio Sunset Station that is frozen in. The 116-year-old depot is a nod to its place in the Spanish missions of the 18th. 18. with red clay tile, station that is frozen in. The 116-year-old depot is a nod to its place in the Spanish missions of the 18th. 18. with red clay tile, station that is frozen in. San Diego to take inspiration from the dome of campaniles that flank the arched entrance of Santa Fe Depot. Spanish-Moorish architectural influences continue inside, with redwood beams and ceramic walls wainscoted. Union Station is a comprehensive rail bus service that offers eight Amtrak trains a day, a 15,000-square-foot marble waiting room, a restaurant and a hairsalon for last-minute ones. As if the interior wasn't enough to impress, the Italianate-inspired granite exterior wows passers-by from 13 bays along the front facade, carefully carved window sills and soaring eagle sculptures. At New Haven Union Station, passengers enjoy a 15-foot-high airy waiting room. Ornate ceilings, ornate chandeliers and graceful arched windows give elegance to the quotidian commute. During the day, Union Station serves as a hub for commuters in downtown Massachusetts, but at night it turns into a sumptuous arena of private events. Its charm as a place of entertainment is not surprising, considering its rich ceilings, stained glass windows and marble columns. The Old Town Chinatown district of northern Portland is a wedge full of historic buildings, perhaps none as recognizable as the city's 1896 Romanesque Revival train station., which was added to the National Register of Monuments in 1975. The always illuminated blue-and-gold neon go by train debuted in 1948, went off in 1971, and was then restored in 1985. Built in 1927 as a replacement for the Southern Railway Depot, the historic Greensboro Station has a vast internal mural depicting the Southern Railway as it was in the 1920s. The exterior was inspired by the 19th Beaux-Arts design movement, visible in the arched entrance, the ornate seam on top of the three-storey building and its impressive ionic columns. While penn station is home to sanctification such as Mount Vernon and the Peabody Music Conservatory, the main attraction on North Charles Street is the station itself. Passers-by and passengers took refuge under the canopy of the granite depot Beaux-Arts and inside skylights decorated with white marble walls. Located in the majestic Mojave Desert, Barstow Harvey House houses not only Amtrak Station, but also two museums, the Barstow Chamber of Commerce and additional city offices. Commuters who take a moment to appreciate the size of the station in 1911 can admire its royal colonnades and arcades, dome towers and bold clay tile. Leaving the hall and entering the green courtyard of this station, you may think that your train mistakenly redirected to an 18th-century Spanish colonial mission, one block away. One look at this monumental landmark on 3rd Street is enough to stop the cold on the tracks. After a fire burned down the original timber train station in 1916, the city invested the equivalent of \$13 million to build a more resilient Mission Revival-style replacement. The new station features fire-resistant stucco with red tiles and four triumphant domes surrounding the central atrium. Related: From Bridges to Stadiums: 13 U.S. Icons That Are Falling Apart The waiting room of this transit hub, which officially opened in 2002, is soaked in sun and light thanks to the richness of chandeliers and stained glass windows. No less elegant, the exterior of the building is distinguished by a 70-meter tower with a four-faced clock. Every inch of this 850,000-square-foot Beaux-Arts train station impresses, from mansard roofs to marble floors. But the most dramatic feature of the historic transit hub, built in 1914, must be the 95-meter coffered ceiling in the Grand Hall and the three £3,500 chandeliers that hang from it. The respectful Mission Revival project is reason enough to stay in this transit hub that occupies the site of a former train station that burned down in 1993. A clay roofer, a spacious arcade and a large clock tower genuinely recreate the look of an old Spanish outpost in modern Albuquerque. When you get off the train in Marshall, Texas, you'll be greeted by a cheerful red brick building circumcified by a pristine white finish and surrounded by a generous porch. The only preserved building 57, which once consisted of the Texas complex and pacific railway, the station is still staffed by ticket agents seven days a week. Related: 20 American Treasures to see now before they disappear Tourists visit many local food and beverage establishments, and check out the city's stately Italianate train depot located between South King and South Jackson Street. The footbridge that crosses the tracks is an ideal vantage point from which you can appreciate the granite and brick facade of the station, terracotta ornaments and a soaring clock tower. Related: 35 Tiny Towns that attract hordes of tourists each year All aspects of life look different in 2020 and include black friday shopping. Major retailers already offer seasonal offers and promotions in their online stores, so you can stock up on gifts for friends, family and maybe even yourself. Yourself.
