## Kendall county il court records

Statewide E-Filing Kendall County Circuit Court was approved to implement an electronic filing program for civil case types on September 10, 2014 Electronic guilty pleas on February 10, 2016 Kendall County was approved to begin electronic guilty pleas in mild traffic and protection violations in accordance with Supreme Court Rule 529 and revised standards for the approval of Supreme Court Order M.R. 18368 and electronic petitions. Kendall County Circuit Court - E-Guilty/Traffic Ticket Payment E-Citation Program 24. Electronic transfer of the appeals register to the 2nd Circuit Court of Appeals on April 25, 2014, was filed by the Illinois Supreme Court with M.R. 18368, which authorized the extension of the electronic transfer of the record by appealing to the 12 counties to another district appeals court the electronic transfer policy of the electronic transfer of the appeal register from Boone, Carroll, DeKalb, DuPage, Jo Daviess, Kendall, Lake, Lee, McHenry, Ogle, Stephenson and Winnebago counties to the Appellate Court. On October 1, 2012, the Illinois Supreme Court filed M.R. 18368, which expanded a pilot project that allowed an appeal to the 2nd Circuit Court of Appeals to record the register of appeals from Boone, Carroll, Jo Daviess, Kendall, Lee, Stephenson and Winnebago counties. According to the continuous pilot, district officials must transfer the appeals register electronically to the clerk of the 2nd Circuit Court of Appeals. A hard copy may only be created and transported at the request of another district court officer. The pilot allows lawyers, parties and appeal courts to view, use and work electronically from the electronic complaint register. The pilot makes the physical transfer of the record unnecessary, eliminating costs that have repeatedly carried the record back and forth from the complaint officer's office.
