Source: Land of Stories – News · Newspaper · World Collider (2017) The Story of Magic (2019), The Story of Magic (2020), The Story of Magic (2020) author Christopher Ferrell, Russell Trator, Brandon Adventure & Fantasy Brown Books for Young Readers Publish2012-2017 Media TypePrint (Hardcover and Paperback), Audiobooks, e-bookNo. Book 6 Story lands as a series of children's novels, adventures and fantasy books written by American author, actor and singer Chris Colfer. The first book, The Prayer Curse, was released on July 17, 2012. The book describes Colfer as a modern fairy tale, followed by twins Alex and Conner Bailey as they fall from the real world in a world full of tales they have read about before, and discoveries are more in this world than they meet with the eye. The first book of prayer in the series, Request spelling, was published on July 17, 2012, a year 9 months passed by, as twins Alex and Conner Bailey suffered the tragic loss of their father. Their mother tried to balance her work and family after her husband John Bailey was killed in a car accident. On Alex and Connor's 12-year-old birthday, their grandmother gave them an old book from Alex and Conner in childhood in which Alex later realized a mysterious glow humming and what was lost in it with Conner's instructions to throw the book away, Alex collected the book and finally came to it. Connor plays the boat to stop Alex from getting into the book, but Alex loses her balance because she is shocked and falls into the book. They find books as a gateway to the fairy tale world. Froggy gave them a telling record of wishing to spell, a spell that could give something like someone like a person if someone had eight items. To return to their world, Alex and Conner need to find the items they need to complete. But the bad news quickly came. They later found another person identified as Huntsman's daughter. Alex and Connor are well aware that Huntsman's daughter is working for The evil queen will receive a wishful spell as well, and worse, since witchcraft prayer can be used twice, and the author of the journal about spell prayer has used it only once, it can only be used once, but also two contestants. While they were given the ingredients for a wishful spell, Alex and Conner come across many tales that their father once told them. Soon after, they faced the conclusion that their father came from a fairytale world. Finally, when Alex and Connor receive all the items for prayer, the evil queen kidnaps them and takes the items and goes to her hiding place in the northern kingdom of sleep. There, Conner tries to prevent the evil queen from using a willed spell by smashing a container of fairy tears on one of the items needed to pray spell. The evil queen tells them the story of where she came from. When the evil queen is a little, she's named Evely and she's a very kind and caring woman. She meets a young Mira and she falls in love with him, but Enchantress catches her and stops her from meeting Mira. Eveli tries to send a secret message to Mira, but the enchanted men discover and hold Mira in the mirror. Later, Evelyn kills the magicians, but she can't do anything to get Mira back until she finds out about Vedicing, and then Alex cries, the evil queen gets a few tears of Alex, makes it a list of Spell Wishing, and somehow the spell works! Then a rescue team led by Froggy arrives, Mira dies in Evelyn's arms, and the pair swallow it with a glass when they fall, and his daughter is killed and Alex and Connor are rescued. And Conner learns that their grandmother is a Godmother fairy who is able to make portals between the world and the fairy world, stories and journals written by people who have completed a year-old prayer spell before being written by their father, So Alex and Conner as part angels. After christening Cinderella's son, Enchantress Returns Enchantress returns enchantress as the second book in the series and is published on August 6, 2013, Alex returns home after school and discovers that her brother Connor, who is worried because their mother has not returned home from work. He also found a romantic note to their mother from a surgeon she worked with named Dr Bob, who brought them a puppy. When Charlotte returns home, Alex and Connor ask. Have a girlfriend Their mother told them it was true. Later, Bob went to see the twins and told them about his plans to propose to their mother. He showed them the ring, which had two large diamonds on it, one pink and blue to represent the twins. When Bob asked the twins for permission on the offer, Conner and Alex decided that this would make both Bob and their mother happy to let them agree. All three decided then to surprise Charlotte with a special dinner at Bailey's house next Thursday at six. Alex returned home as soon as she could from the course she took at the community college, and Bob told the people he worked with at the hospital to keep Charlotte busy so she wouldn't be home sooner. Charlotte Bailey's twin mother was not in time, but another nurse at the hospital said she had two hours left, and then they heard a mysterious knock at the door and a bunch of fairy tale soldiers from a boat in Charming Kingdom. Bob is doubtful, but later he admits that the fairy tale world exists. Grandmother twins While their grandmother joined her own business, she was a very good family. Xanthous (member of the Fairy Council) and Sir Lampton (an old friend of their father) Later, Alex gives Goose a bubbly mother until she gets drunk and Alex asks for her information, which she doesn't know. Alex discovers that her mother is captured by Ace Mia The Enchantress, who curses Sleeping Beauty as a baby, and that the kingdom is lying in ruin. She sneaks out of the house and goes to her grandmother's house, hoping to find a way to land the story. The next day, i Unexpectedly, Connor helped her and admitted that he followed her. They eventually went to their grandmother's house, which had a glowing painting in it. Alex knows this is the gateway to another world. Suddenly, Alex and Connor find themselves in the realm of the story. Eventually they found Froggy, which was again in frog form, as disguised after being turned back into humans at the end of the first book. Alex and Connor attended a meeting only for the King and Queen by persuading Red to wear a dress they could hide under. To create it, one must find six of the most valuable things of the six most hated. In the world Red asks all the villagers to field in order for the boat to fly out of all her baskets. When the ship finishes, Alex Connor, Red Froggy, Goldilocks and Jack fly ships across the land of stories, they get the sceptre ice of the snow queen, cinderella's stepson's wedding ring, giant harp, glass from the evil queen's mirror and the jewels of the sea witch. However, they are not clear on what the most rewarding possession of enchantress is. After landing in troll land and goblins, they discover that Trollbella is the queen now, and that Bob travels to the land of the story as well. They found a reflection of the evil queen in the Eastern Kingdom who said enchantress' most acclaimed possession was her pride. The magician used vines to drag Connor, Reid, Froggy Goldilock and Jack to the Coliseum. Alex tries to beat the enchanted by stealing her pride, but she's blown out of the Coliseum. Because she holds a magic wand. However, when she reached the ground, she fainted. Alex has a dream as she talks to Alice from Alice in Wonderland, Lucy from Narnia, Dorothy Gale from Oz and Dear Wendy from Neverland who advises her on the situation. Alex wakes up and back up the Coliseum using a flying horse, which is Bob. When she arrived, she said, The magician tries to kill Alex with a wand after Alex robs her of power (until AceMia holds the cane of wonders), but Rumpelstiltskin jumps in front of the bomb to save Alex out of guilt for what he's trying to do for Ace, Connor destroys the wand, so all the magic is taken from Acemia's body and she dies. Bob later proposed to Charlotte and they married in Queen Cinderella's castle. When it's time to leave, Alex claims she means being in the realm of stories and that Conner should share their stories in the real world. The twins believed they would be separated forever after the angels decided to seal all the portals leading to and from the land of the story. Grimm Warning Grimm is the third instalment in the series and is published on July 8, 2014, at the beginning of the third book, Alex is in her coronation as a fairy stepmother, while Conner is at school in the real world and is asked about his sister. Connor went on a school trip to Germany to hear never before heard the story by the Grimm brothers, who were recently found in a time capsule. The good news for Connor is that the woman he's interested in is Bree Campbell. The bad news is that four bullies called the Book of Huggers are. For Alex, she's still messing up her casting spells. She eventually met a farm boy named Rook Robin, whom she began falling for. She became very torn later in the story because her grandmother was dying and she felt like she was killing her. The fairy godmother is dying because she finally finds a change; now the stepmother fairy can rest, knowing that the fairy tale world is in good hands. With the help of Bree and the direction of mother goose, Conner finally meets Emmerich Himmelsbach, a little boy from a small village. The army was led by General Marquis with the help of a convicted masked man who freed him during the attack on Pinocchio prison, when some villagers were attacked by Grande Armé A, rook (Alex's attention) as blackmailed by the army giving up the location of Alex and the royal family. Grandmother Alex, a fairy stepmother, finally defeated the dragon man mask with her fairy magic and died. Alex knew That Roke was leaking out. She was attacked by this and decided to leave him. Ruk tries to regain her trust by helping her in the next story. Alex was sad to leave him, but knew she had done the right thing. At the end of the book, Alex meets a masked man without his mask and believes he is the deceased father of the twins John Bailey. In addition to the Kingdoms, the fourth installment in the series and published on July 7, 2015, the book begins with the Bailey twins chasing a masked man who Alex believes is their late father. Alex goes through mood swings, where her hair is floating above her head and her eyes are glowing. She had a hard time controlling her emotions, which led her to attack many people with her magic, including her family and friends. Alex insisted to the Fairies Council that masked men should be one of their top priorities. Alex loses her temper and controls her magic and balances at the fairy council with lightning before disappearing. She arrived at the giant castle where the mother goose was. Later, at the wedding of Red and Froggy Morina, the beautiful witch arrives and claims to be Froggy's first lover (and the man who cursed him to live as a frog). She threatened to hurt Reid if he didn't go out with her, making Froggy choose to go out with her as Moreina was a very powerful entity. While Conner was beaten up by a masked man in the library as he tried to steal the book, Connor ripped off his mask and he also believed it. Masked men are their fathers. That night, Alex talked to his late grandmother. Her grandmother then sent a messenger moth from space, a memoir from the stars to tell Alex the true story of a masked man: he was their uncle Lloyd, an old friend of Connor Trix, from the book, they learned what Lloyd was trying to steal, as the Potion Portal, which could transport everyone in the work of any novel. Alex explains to others that the masked men are their uncles and not their father, Connor says she's crazy, but mother goose insists it's true and it's their grandmother's last wish not to tell. The group then travels into the work of literature in an attempt to stop their uncle before he recruits an army of literary villains. Alex and Connor are trapped in a world separated by Lloyd. Alex is trapped in the world of King Arthur, while Conner is trapped in the realm of Robin Hood. After they fled and met in the territory of Oz, they realized that Lloyd had sent an army to destroy the kingdom, and they wanted to go home for supplies. The Odyssey of the Odyssey is the fifth installment in the series and was published on July 12, 2016, when twins and their friends entered a world built on Connor's imagination finding an unimaginable partner, as well as recovering many memories they made in a long-awaited fairytale world that began to end the life of a masked man of terror. Connor and Alex take on Conner's short story, from the pirate battle to the race in an ancient pyramid filled with zombie mummies intertwined with the main protagonist of the story, Connor takes his mother, Charlotte Bailey. Enchantress that Alex killed in the second book, why enchantress is scary, because the dust picking up not only her emotions, but makes the headache worse than one ever imagined. The snow queen and the sea witch believe that the dust will work on Alex because when Alex makes the mistake of thinking the masked man is her late father and when Rook Robins broke Alex's heart. It proved that it was true Alex's magic came and responded from her heart. It's a curse believed by a broken witch. The world collides, the sixth and final book in the series, titled Worlds Collide, is released on July 11, 2017. All of the land of fairy tale

characters - heroes and villains -- not confined to their worlds by brewing the Big Apple, Conner and Alex must win their biggest fight yet. After the pro-world word in which Conner, now 80 years old, celebrated his birthday at a bookstore, and realises he doesn't know what happened to Alex, he started reading his last book. The story begins with Alex still under the control of a witch wreaking havoc at the New York Public Library, Connor realizes and sets out to New York City, along with Red Jack, Goldill and Bree. When they arrived, Huggers sat in the restaurant, watched Connor and told their parents. However, Conner Ducks and Parents didn't see him. Then a Conner's group tried to make it into the library, homeless men who had previously helped them for money take them to an abandoned subway tunnel in the '20s and head directly under the library. While there they heard from others, homelessness and realized the portal between the worlds was going to turn up in the library. They broke into the library and saw Alex now under Morena's control and the witch keeps them quiet, while in the sleep Conner receives a message from Alex saying she wants him to kill her so she can return to magic and break free from the curse. Book Huggers Help Connor and the Gang Meanwhile, Alex is more agitated. After the literary army was destroyed, Conner wrote a story in which he and Alex never explored the land of the story. In the story, Alex is not affected by the curse, and they see their father. Alex then gets emotional to the point where the curse disintegrates and they leave in time before the story ends. They explained to her to protect the land of the story books to make sure that disasters never happen again, just like that of the literary army. The series ends with 65 years later that Conner, now 80, is going to move to a retirement home because his children believe he is crazy. His niece Charlotte Charlie Black visited him as he was about to visit his sister Alex. The series ends with Charlie hearing a voice and going to the attic and seeing the land of the book shining. After everything that happened, Alex and Conner met again, safe and sound. Five companion books co-series have been given Land of the Story: A treasure trove of fairy classic tales is shown as Alex and Conner's book entered in batches, curved trees and Trollbella throws a party into a picture book labeled by Colfer.
