All orders to ship our warehouse in Ottawa, ON. Orders to receive are shipped every weekday at 3pm EST. Our customers our lenses! Browse all our lenses and view customer comments and photos of themselves wearing our lenses to top off their awesome costumes. Send a photo of yourself wearing your sweet lenses sending us info@coolcontacts.ca and we could post it on our website and social media! Counting the days to Halloween? Determined to imitate the zombie look of your favorite TV show, The Walking Dead? Our Zombie Contact Lens Range is a jam packed with a large number of black-have costume contact lenses to help you achieve a scary, eye-popping look! Great scary life for your friends, family and strangers, you can be sure to sport a creepy look at a pair of zombie lenses! Whether you're a Cosplay fanatic, costume party goer, or just really aiming to level up your Halloween experience, we'll ensure that you're looking for a frighteningly freaky moment. Our zombie contact lens range: the perfect way to create a haunting look! We all know that costume contact lenses are an amazing way to enhance your appearance, not just halloween or Cosplay conventions. Gone are the days where people were happy with mediocre costumes, everyone is now taking their costume ideas to the next level, realistic make up, authentic accessories and of course spooky contacts! This is why we are constantly adapting to our growing and attentive market by providing a large number of zombie color contact lenses. Our Zombie Contact Lens Range not only offers reusable contacts that cater to regular carriers, but includes a number of pairs of one-time contacts that are ideal for beginner users. You might think what are the best colored contacts on Halloween? There is no need to scratch your head or trawl the website after the website response! There is no better way to be completely scary than wearing a good and quality-tested costume with contact lenses. Our Zombie ContactLens Range captures the interest of anyone with a creative streak or passion for costume play. If you're looking to take the creep to the next level, our unique and diverse selection of lenses is sure to jolt your friends like never before! If you're looking to bring authenticity to your costume, create a spine-chilling look with a pair of zombie lenses to explore the huge amount of creep-tastic characters you can imagine while wearing them. Are you bored wearing the same white contacts in every scary costume? Our Zombie ContactLens Range has many mesmerising choices to bring a fresh new feel to your Halloween style! You can change your look by wearing UV-white contacts that work perfectly with all kinds of costumes to bring a glowing finish! However, if you are looking to turn your gaze into a lifeless stare, choose Milky White Lenses. Having your Halloween look with another twist? Zombie White Color Just be the perfect accessory for you if you're looking to finish off the classic zombie costume. These white contacts will completely change your look and add a realistic dimension to any creepy fancy dress outfits! If you're a big fan of designs available to online vendors like Camo Eyes, then you're sure to love our large number of Zombie contact lenses; With a great choice of choice and over twenty years of experience in the industry, we are considered one of the best cosmetic lenses vendors in the UK! Great for anyone looking for an authentically terrible look, our zombie contacts are sure to call the freak factor a special event! Because of their versatile appeal, these recipeless lenses must be an item for Halloween parties, Cosplay conventions and times when you just want to bring a terrific edge to your appearance at the costume pool. Perfect with the broadcast of any Zombie costume, you can take your look flat with scary blink of an eye on our zombie lenses. Looking to create a corpse bride-inspired ensemble? Then try a pair of full-covering dark white lenses that cover both the iris and the white of the eye, giving you a nightmarish look! Looking for a classic, milky style lens? Then don't look any further! With cloudy lenses available for a variety of durations, you can be sure to find the perfect pair for you. There are many online vendors of zombie contacts and there are also several reasons why our zombie contact lens range is the best on the web! If you're looking for the perfect costume accessories, customers have confidence in knowing that we have a wealth of experience in the industry and understand all the concerns and issues they may have when shopping for zombie contact lenses online. We are proud that our loyal customers enjoy some of the leading cosmetic lens brands, as well as a customer-focused team of experts at hand to help. In addition, our lenses are packaged in buffered saline solution – that is, we can ensure top-notch quality and safe delivery for every user. Not only that, we want you to look good and have fun without breaking the bank, so if you buy our Zombie contact lenses range, you will benefit from our cheap, competitive prices without sacrificing quality! If you really want to save pennies during half-season, why not go for single use, 1 day contact lenses? These disposable contacts last one day after opening making them the perfect party or Halloween, and come up with a friendly price tag to boot. If you want something in the long run, you also have the option to use our monthly lenses; great regular Cosplayers! If it still isn't quite long enough for you, don't worry! We offer 90-day reusable contacts and 1-year contact lenses in different designs Zombie that makes our zombie contact lens range ideal every time (s)! The great thing about our zombie contact lens selection is that they are all prescription-free and designed for purely cosmetic discoloration, which means you don't need a prescription and they won't affect your vision at all! While most people are able to show off our zombie contact lenses without any problems, we recommend you always visit an eye care practitioner before purchasing to confirm that you are a suitable candidate for cosmetic lenses. Fed up with the sometimes complicated and impersonal shopping experience in the online marketplace like Amazon or Ebay? Buying zombie contacts online is about to make it better! Not only do we offer you the same opportunity to browse our zombie contact lenses range from the comfort of your sofa, but we also have a brilliant customer service team to respond to your concerns. The fact that our team has been trading zombie contacts for over 20 years is a clear sign of our credibility, friendly service and reputation in the industry. However, if for some reason you are not satisfied, or you need to return your lenses, just contact us directly and our helpful team will be more than happy to deal with your requests. Needless to say, we care very much about your experience when shopping with us, which is exactly why we advise you to take advantage of our next day delivery orders in the UK. Fantastic quick delivery, guaranteed. So if you've left your party planning at the last minute, don't be stressed, just check out our zombie contact lens range! Now you know everything is known about our zombie contact lens range, it's time to go and find the perfect couple! So whether it's UV zombie contacts, milky contacts or classic white contacts to get your brain-eating instincts stinging, shop now to ensure you're a creepy creature at a party! Half!
