Well, start with the flat Coke and Diet Coke. So let's move on to the menu, which has very little to choose from. From there, our food finally appeared (no, they weren't busy). We settled for two burgers. -5-star rating for burgers. The burgers were so hard that it was as if they were pressed and formed with a tasteless hydraulic press, the lettuce was old, my American cheese was melted for the bread and not for the hamburger. My wife's pepper cheese was so small that the tiny phrase would be a compliment, it seemed more like a small amount of sprinkled cheese had come to a portion of the burger. Well, now move on to the service (another rating of -5 stars). Oh wait, there really wasn't any service as we weren't one of the regulars. Now they have great service. We, on the other hand, were ignored all the time, sat down and watched all the regulars receive priority service !!! Let's wrap this up with We'd like to talk to the manager when our waitress finally showed up while we were getting ready to leave. What we got from Rebecca, our waitress, is that I'm the manager in charge. At this point, we knew we were dead in the water. We gave her comments, she came up with excuses and an argumentative attitude to go along with it. Not only for a server, but for a responsible person, the word professional is many light-years away Do not even think about going there if you are looking for a place to try. Sometimes coffee morning, sometimes dinner. My favorite personal breakfast... Blaine's Favorite, My husband & I share the 3piece fish dinner! Yes, it is. Better!! The service is always friendly and always attentive to the needs of customers! 30/05/2020 - User menuPix 25/03/2020 - User menuPix 04/11/2010 - Charles I has already ate there dozens of times. Food is very good. Most of the waitresses there are very bad. The last time I ate there, the waitress didn't tell me about the dinner specials and I didn't see her other than pick up my order and deliver my order. The waitresses there give 15% to the girls on the bus and the girls on the bus end up being the only ones who replenish their drinks normally. I don't like having to signal a waitress who ignores my desk. I didn't leave a tip for the waitress too many times there. I've tipped the girls on the bus many times. 10 Reviews 10 reviews with an average rating of 4.0 stars have been consolidated here. Everything is always so well prepared, generous portions and friendly service. Eggs, pancakes, waffles, biscuits and gravy, they're delicious. It's a bit of a country right in town. There aren't many vegetarian options for lunch and dinner, but my family thought turkey dinner with mashed potatoes was perfect. Their food is guaranteed to please almost anyone. I had lunch and had breakfast here. Both meals were excellent. The fried chicken steak came smothered in a delicious white sauce. The hashbrowns were golden, crispy and salty. The atmosphere is cozy in the hometown. At lunch, my blueberry pie came stuffed to almost burst of blueberries... Do I recommend it a lot? More recommended? More
