I will provide the form (for example attached) and report the layout this plan withdrew due to the amount of questions which I don't have at this time The answers it needs to sign up free, you need to type in in seconds to get the price free I'm looking for someone to translate words/words/words in the flow in the 70 page document. Translation should be done using English script and milliam script. You will also be asked to answer questions about language. You should be in both English and Malayam. Because there are approximately 70 pages that need to be translated, it should not take you more than 4 days or its axis to translate these 70 pages. Note I said, Axis; Check your work for errors. About 70 page document: Most documents are double spaced and the new Roman size 12 font in the Times. Margins are common. The document contains words/words/examples/sentences etc. There are some questions where you will need to write and provide language information. About 70 pages are divided into 17 topics. If interest you should: be able to communicate the flow in the language of the milliam. Be able to read and write the album script. Be able to speak and understand English flow. Be able to spell words correctly and be consistently correct when spelling and writing. As described above: If this language is written in a foreign script then I will ask you to translate by Latin (English) characters and in foreign scripts. It doesn't matter if I'm looking for someone with a good job ethics who sits down and works to complete this project. I don't want to stop often. I would like you to continue to work until the project is complete. As described above, you should not take more than 3 to 4 times to finish the translation and make it a x- If you are interested in this project, answer each of the following questions using full sentence, so I know exactly what you are referring to. 1. How much will you charge to complete this project? 2. Week and hours which day will you work towards completing this project? If you plan to send updates about the project every day, you can get a job. Waiting until the last day to finish this project will not work for this project. 3. Tell me which country you are from and in which country you are currently living in. Tell me how many people will work on this project. If someone works on this project, will you have a person? 5. Do you have to start again? Send your resume. 6. Do you have an English writing sample? If so, send it. 7. You will need to sign a contract before you can get services for this project. Will this be a problem for you? 8. Why are you applying for this project? 9. Are you involved in something coming or something in the moment that you need to take before you work on the project or at that time? 10. You It requires you to complete the translation and remove your work for all pages [url removed, log in to see] you will be interviewed on The Skyp to understand this before you get services for this project. This will be an audio interview so you need the microphone. And your audio and microphone should work correctly. 12. You don't matter how good or accurate excuse it doesn't help to meet my deadline. Therefore, if you cannot complete the project in a timely manner or do not complete the project in a timely manner, the project is not requested. I don't pay in advance. I don't pay the milestone, I don't pay percentage. I pay when the project is complete. Do not be a stooge . The copycopy and other devices will be used to check all written work.
