The Dedarica Quests are performing for The Dedapost Prince. Their appearance has become somewhat customary for sports in the big scarcity series, and the big scarcity is back in V: Skyrim. The Prince of Dargonbourne is the shrine to know when many quests are given. Some Dadapost princes, however, will not give their quests from their synagogues. The Cinkle Key is a dedrock exhibition that belongs to it and can be achieved by the thief guild castlana, but does not contribute to the Dedraq effect or the forgotten wakar/trophies.
