Builds Guide Season 9 Nomad Set Build You need the skills and tools to play Nomad using the Elder of Mos'Arathim set. This build provides a good screen clear and fast enough motion speed so it's a lot of fun to play. Gear 0:42 Mercenary Gear 2:48 Talent: 4:42 Hero Levels 5:50 Relics 6:03 Gameplay 6:50 Season 9 Set Pirate Build You need the skills and equipment to play the pirate using remains the Black Beard set. This is a very fun auto build attacker that provides consistent damage and you don't have to worry too much about getting defensive runes, unlike some other builds. For equipment: Thunderfury for weapon, and Zeus for boots, chest and maybe head.
