Rubber ducky song lyrics youtube

Take a deep breath and think back to the high school dance and try to remember what they were like. Anyone who was a pre-teen probably remembers the awkward slow dancing, new tank-tops from the mall, and screaming along every word of pop-radio hits. Songs from the late '90s and early 2000s may seem like a distant memory now, but at the time, many of them were iconic. Looking back on the era, there are certainly some lyrics you completely forgot existed so far. Every time and then one of those songs plays, in a clothes shop, on the radio or in an ironic party performance, and those words bring you back to that middle school auditorium. Several genres progressed in the late 90s and early aughts, and both decades were a growing season of alt-rock, rap and hip-hop, and pop music. While some of the most popular songs didn't accurately invent genres or experiment with new ways, they were definitely fun. Whether it was a soft stone by Anna Nalick or one of Enrique Inglesias's slow dance staples, you may have forgotten some of these tunes. There is no time like now to re-listen and remember these lyrics that, for better or worse, shaped their teenage years. 1 Too little, too late - JoJoLong before Taylor Swift announced that she would never get back with ex, JoJo was penning pop break up hits. One in seven grader certainly listened to this one after middle school to break up what everyone knows means no longer sitting with a coffee shop or group of dates in movies. Things

were tough back then. Memorable Lyrics: I Say This Now / Your Chance Has Come And Gone / And You Know / It's Just Too Little, Too Late / A Little Too Long / And I Can't Wait? Just The Girl - Click FiveAtlantic Records on YouTubeIf you forgot, the protagonist of love interest in this song works 100 proof attitude to power. Therefore, after all these years, he is still aspirational. Memorable Lyrics: Because he's bittersweet / He hits me with my feet / And I can't help myself / I don't want anyone else 3 Closing Time - SemisonicIf this one hit is not instantly ringing the clock, it comes back to you as soon as the piano notes. It's everywhere from the movie's opening credits to the backdrop of its fave 2000s TV show, and even now it's a difficult song to escape. Memorable Lyrics: Closing Time / Turn the lights up over every boy and every girl / Closing time / One last call for alcohol so stop your whiskey or beer / Closing time / You don't have to go home, but you can't stay here / I know who I want me to come home from. 4 Big Girls Don't Cry - FergieThis song, which was one of Fergie's first tracks after Black Eyed Peas, was a slow dance staple. Also, can we talk about what an absolute nostalgia-fest this video is? Candy product layout! Milo Ventimiglia fakes! What a time 2006 was. Memorable Lyrics: I'm going to miss you like a kid misses his blanket, but I have to get on with my life. Back in 2009 it was the number one song that you pumped through the night out, and if you weren't sick by the end of this year, now is the time to bring it back. Memorable Lyrics: Feeling woo-hoo that today is going to be a good night / That today is going to be a good night / That today is going to be a good night6 It's going to be me - NSYNCNS depending on what a big boy band of 2000 was your fave, there would have been a time in childhood where you knew every word of every NSYNC song. While Bye Bye Bye may be the group's best-known story, true to fans, this song was just as important. Catchy Lyrics: Baby, When You Finally / Get to Love Someone / Guess What / It's Going to Be Me7 Hand In My Pocket - Alanis MorissetteAlanis Morissette YouTubeIt's a shame that most of Alanis's songs are now downgraded to background music; it's time to break them out. It's hard to choose a singer with the most sung along worthy story, but this one is definitely up there. Memorable Lyrics: * Clears the throat * I have one hand in my pocket, the other gives a high fee-III-VVVVEE8Hinga (2am) - Anna Nalick Admit - this song still makes you emotional in 2017. Nalick's hit ballad stuck around for a reason because it intertwines with several sad tunes and brings them to a heartfelt chorus. It's the perfect sad-sappy pop song. Memorable lyrics: Because you can't jump on the road, we're like cars with cable / And life is like an hourglass, glued to a table / No one can find the rewind button, the girl / So cradle your head with your hands and breathe ... just breath / Oh breathe, just breathe 9Hero - Enrique Inglesias EnriqueInglesiasVEVO on YouTubeThis song played every dance and other school event that I went to in middle school and high school. So many awkward slow-bone dances were shared with this song, I don't know if I'll ever forget the lyrics, but maybe you did. Memorable Lyrics: I Can Be Your Hero Baby / I Won't Kiss Away In Pain / I'll Stand You Forever Do You Think Augustana Ever Found Where They Go? This song from the choir traveled across the continental United States, and even after all this time, it's hard to forget that trip. Memorable Lyrics: I think I'm going to Boston / I think I was tired / I think I need a new city / Leave it all behind11Unreplaceable - BeyoncéWhile we all streak down queen b with her last two albums, which are all metrical masterpieces, you may have forgotten about this radio hit from the beginning of the as. Beyoncé has had so many chart-topping hits, but this song was absolutely everywhere of the year it turned out. Memorable Lyrics: Everything you left in your box/ The closet that's my stuff, yes / If I bought it please don't touch 12 Hey There Delilah - Plain White T's HollywoodRecordsVEVO YouTubeThe Plain White T's was a real moment for this track, and it would go on to be their only classic. Despite the bands' one-stroke wonder status, this acoustic ballad was such a success, it may be far from completely forgotten. Memorable Lyrics: Hey there Delilah / What's it like in New York City?/ I'm a thousand miles away / But girl, today you see such a beautiful13American Boy - Estelle Ft. KanyeThis West's song had so many memorable collabs it's hard to believe it might have been lost in a decade. John Legend has a kame video and a very young Kanye West shows up to drop a verse. This optimistic jam was so much fun, and is definitely worth listening to again. Catch Lyrics: Take Me on a Trip, I'd like to go one day / Take me to New York, I'd love to see LA / I really want to come kick it with you / You get my American boy Those songs were total classics.
