Johnny Winter lyrics Bad luck and trouble I believe bad luck and trouble, man is all to join us I mean bad luck and trouble, people who are all to join us When my bad luck quit me, the Lord began to travel the highway from the time I was a child No one seems to care, no one seems to care, no one sees a woman's man Bad luck and trouble, man is all that join us When my bad luck quit me, my troubles began the Lord I was sitting and thinking. Just sit back and think, I'm a long, long way from home and think that all my good time lords and my friends want to know They don't hurt anybody, they didn't do anyone wrong others don't accept me, they say the guy will leave me alone Sit down and think, Lord, I'm far from home Thinking of my good times, the man and my friends all want to know yes man nobody has this trouble, I'm not going to tell anyone else No one else has this trouble, the guy doesn't tell anyone else in my life, I'm going to make it by myself, Writer: Johnny Winter Trouble Lord, trouble, trouble is all I see trouble, I said trouble, trouble is all I see Yes, I have no one there to work on and take care of two of my best friends, my bad luck and trouble Bad luck and trouble, two of my best friends [Erable] knows bad luck I'm walking in a trouble hang-in with bad luck " around my door Bad luck and trouble hang-in's around my door You believe I'm Hopine, you won't be back anymore Goodbye Trouble Trouble Lord, trouble, trouble is all I see trouble, I said trouble, trouble is all I see Yes, I have no one there to work on and take care of two of my best friends, my bad luck and trouble Bad luck and trouble, two of my best friends [Erable] knows bad luck I'm walking in a trouble hang-in with bad luck " around my door Bad luck and trouble hang-in's around my door You believe I'm Hopine, you won't be back anymore Goodbye Trouble Have you ever been in trouble?
