Students here perform above-average year-over-year academic improvements, and students perform above-average national tests. Students at this school are making more academic progress, given where they were last year, compared to similar students in the country. Strong success with high scores means that students have strong academic skills and the school does a better job of supporting academic growth than most other schools. Parent tip Test scores at this school are well above the national average, which indicates that most students at this school perform at or above the class level. Older tip notice something missing or confusing? ENVIRONMENT Thank you for your assessment ! Please check your email inbox for instructions to confirm your review. VocabularySpellingCity's mission is to facilitate the development of vocabulary, phony, and writing through a word learning tool that allows you to differentiate instruction when working with vocabulary and spelling lists. The site has been particularly useful in engaging struggling students, facilitating English vocabulary skills for early school students, building a school-home link, and simplifying the administrative work of teachers and parents. The most popular learning activities are the word unscramble, word search, hangman, crossword, alphabetical practice, grammar, handwriting practice journals and writing activities. Activities.
