Alternative title: 七罪 戒め活, Nanatsu no Taizai: Imashime no Fukkatsu, [] Genre: Action, Adventure, Dub, Fantasy, Magic, Shounen, Supernatural Style: TV (Winter 2018) Status: Ends Broadcast Number of episodes: 24 Episodes: 24 Episodes: 24 Episodes Views Date: January 13, 2018 to June 30, 2018 [MyAnimeList] Score: 8.11 Age Rating: Summary: Sypnosis: The bitter battle between Meliodas, the captain of the Seven Deadly Sins, and the Great Knight Hout. Armed with the fragments necessary for the demon clan's revival, Hendrickson breaks the seal and lets escape the commandments, which are all powerful warriors working directly under the Demon King himself. Through a mysterious connection, Meliodas immediately identifies them; likewise, the 10 Commandments seem to feel His presence. As the demons leave a path of destruction behind, the Seven Deadly Sins must find a way to stop them before the demon clan drowns Britannia in blood and terror. Plot Summary | Synopsis Animation | Action | Adventure | Comedy | Fantasy Parents Guide: Adding Content Advice for Parents » Edit Howling Performed by Granrodeo and Flow Lyrics by Kohshi Asakawa, Keigo Hayashi and Kishé Taniyama Composed by Takeshi Asakawa and Masaaki lizuka Arranged by Granrodeo and Flow (Opening Theme) More » Ability Copy (2) The character has the ability to copy the abilities of others for their own use or those of a third party agile (1) The character has a great agility that comes very handy for fighters or other fighting characters. and all the attempts he or she makes to make even the simplest dishes are spectacular failures. Barrier creation (4) The ability to create a wall or dome of power that prevents others from approaching a person or object. Cooking (3) Cooking is the preparation of food with heat.dark magic (16)n (16)n Setdual wielding (1)The ability to use a weapon skillfully in each hand. Earth magic (3)no description setEternal youth is the concept of human physical immortality free of aging. The teen named is usually in contrast to the robberies of aging, rather than a certain age of human life.extreme speed (2)The character has an amazing speed, exceeding the human limits. Fire magic (3) Magical application of the fire element. As a rule, strong against living beings, such as plants and animals, but easy to combat by using water. Also usually includes immunity to heat. Fixed-form-shapeshifting (4) Fixed-Form Shapeshifting is the ability to switch the physical appearance, shape and structure between two or more predetermined shapes, while limiting one's to picking only from these forms. This contrasts with free-form shape shifting, the ability to change its physical appearance, shape, and structure in any way that the user wants, without being limited to a limited number of shapes. Or masters some form of hovering (e.g. a witch using a brooms to fly). Not to be confused with flying planes or flying helicopters. Ice magic (2) no description settleusion (3) no description settleusion (4) no description settleusion (5) no description settleusion (6) no description settleusion (6) no description settleusion (7) no description settleusion (8) no description settleusion (8) no description settleusion (8) no description settleusion (9) no but can also cause painful reactions to strong odors. In the paranormal context, floating is an aspect of psychokinesis, often the result of the supernatural action of attunement to the Holy Spirit, spiritual energy, a world, or sometimes from the influence of a poltergeist.light magie (2) no description setlightning magic (2) No description setmagic (43) Magic is the art of supposedly manipulating aspects of reality either through supernatural means or through supernatural means or through the knowledge of unknown occult laws. Memory manipulation (1) The ability can essentially grow plants, make them dance like animals, create vines from the earth, summon poison ivy, summon Siish trees on you, and so on precognition (2) The ability to look to the future. This can manifest itself as prophetic visions or be more prosaic, such as the ability to see future events through some divine devices such as tarot cards or astrology, but such divination should be Be. Psychokinesis (4) Psychokinesis, also referred to as telekinesis in relation to the strict description describes the direct influence of the mind on a physical system that cannot be fully taken into account by conveying a known physical energy. Regeneration (5)Teleportation is the transfer of matter from one point to another, possibly a remote one, without the use of force, and generally immediately. This is contrary to scientific law as we know it, and is therefore impossible today. Sometimes it appears as a paranormal or supernatural ability, and sometimes it is shown in science fiction by technological devices backed by scientific laws that have yet to be discovered. Wind magic (2)no description set armour (15)no description set axe, or axe, is a device that has been used for millennia to shape, split and cut wood; for harvesting wood; as a weapon; and as a ceremonial or heraldic symbol. A combat axe is an axe designed specifically for combat. Combat axes were specialized versions of supply axes. Many were suitable for use in one hand, others were larger and were used two-handed. Backpack (1)A backpack in its simplest form is a cloth bag, which is carried on the back and secured with two straps that go over the shoulders. Light backpacks are sometimes worn only on a shoulder strap. They are often used by hikers and students, and are often preferred handbags for heavy loads or carrying any kind of equipment, because of the limited capacity to carry heavy weights in their hands for long periods of time.bag (1)A soft open piece of luggage. A bow (2)A bow is a weapon that projects arrows that are driven by the elasticity of the bow.crystal ball (2)A ball of crystal or glass. Believed by some to possess magical powers (usually with the display of things, but not limited to). If it appears in a fantasy series, it might actually possess these powers. Hand warmers (2)A glove is a kind of glove-like armor that is worn over the hands as protection during combat. Glasses (1)Glasses (also called glasses or glasses) are frames that carry in front of the eyes, usually for visual correction, eye protection or protection against UV rays. For practical tagging purposes, sunglasses should not be considered as glasses; The tag glasses with dark lenses or wearing both types of glasses should take both tags.katana (4)A kind of Japanese sword, often called a samurai sword The term katana can be applied to the standard size of moderately curved, slender, single-edged blade, circular or square guard and long handle to accommodate two hands. Accommodate. usually made of wood, with a pointed head. The head can simply be the shaft, such as flint, obsidian, iron, steel or bronze. The spear has been used throughout human history as a hunting and fishing tool as well as a weapon. The spear's variant forms include the spear, the lance and the pike, a very long-pushing spear. Sword (21)A sword is a long, edged piece of metal that is used in many civilizations of the world as a cutting, pushing and club weapon. It basically consists of a blade and a handle, typically with one or two edges for hitting and cutting, and a point for shoving. War hammer (1)A war hammer is a late medieval war weapon designed for melee action whose design resembles the hammer. The war hammer consists of a handle and a head. The handle can be of different length, the longest being about half that, and the shortest about the same as a maze. Later war hammers often had a tip on one side of the head, making them a more versatile weapon. Apron (1)An apron is an outer protective dress that primarily covers the front of the body. Dress (5)A dress is a garment that is usually worn by women that covers both the upper part of the body and contains a skirt under the waist. Leather jacket (1)A leather jacket is a coat-long coat, which is usually worn on other garments or garments, and made of the tanned fur of various animals.Loose sleeves (3)This character wears an outfit with sleeves that are not attached to a top, instead they are strapped on the arm near the shoulder.single strumpfftchen piece (1)A single stocking is each piece of stocking, which is not worn as a pair. This can be in the form of hosiery worn only on one leg, or in the form of inappropriate hosiery, where each leg has a piece, but they do not form a pair. Of course, this only applies to characters with more than one leg. Skirts are often seen as women's garments, but there are exceptions. In anime, they are almost always worn by women, usually as school uniforms or workplace clothes, and a man with one is likely to be cross-dressing. Skirts that go below the knee are usually associated with strict rules and sometimes with wintry, although even in winter anime students can be found in miniskirts. Thighs (3)Thighs or stockings are a tight various elastic garter that completely covers and extends over the knees, or partially covers the knees, so that only the thigh area remains exposed. In general term and/or refers to stockings that a suspender belt / garter. Hosiery that rises to the knee or slightly below are knee heights. The term has different meanings around the world. If the character is wearing the formal vest or wearing a sweater vest, use these appropriate tags and do not mark a vest. Deity (3)Some religions say that there is a supernatural being called God. Other religions say that there is more than one God. A supernatural being is sometimes referred to as A Forget. Many religions believe that a worldliness has created everything that exists. In most religions it is assumed that a God is immortal (cannot die), and to have the powers that control nature far beyond the forces of man. In eastern tradition, however, they are usually supernatural, Often but not always malevolent beings that can be more mischievous than actually evil, or simply supernatural spirits without specific orientation. Fairy (10)A fairy is a kind of mythical being or legendary being in European folklore, a form of mind often described as metaphysical, supernatural or preternatural or preternatural. giant (6)no description setHuman (25) Modern humans are the only existing members of the SubtribeHomina. Together with chimpanzees, gorillas and orangutans, they belong to the Hominidae family. Terrestrial animals, humans are characterized by their upright posture and two-legged locomotion; high manual dexterity and heavy tool use compared to other animals; open and complex language use compared to other animal-experimental messages; larger, more complex brains than other animals; and advanced and organized societies.pig (2)no description Settalking animal (1)Talking animals are a common theme in mythology and folk tales, as well as children's literature. Fictional speaking creatures are often anthropomorphic, possess human-like qualities, but appear as creatures. An animal that only knows its name (for example, 99.9% of all Pokemon) are not talking animals. Belt (1)A belt is a flexible band or bracelet, usually made of leather or heavy cloth, and worn around the waist to support pants or other garments. It is an accessory that supports trousers or other clothing. Earring (3)An earring is a piece of jewelry that is attached to the ear via a piercing in the earlobe or another outer part of the ear (except for clip earrings that stick to the rags). Earrings are worn by both sexes, although more common in women, and have been used by different civilizations at different times. Fingerless gloves or glovelettes are garments worn on the hands that resemble normal gloves most paths, except that the finger columns are half-long and open so that the upper half of the fingers of the wearer can be displayed. Gloves (1)A glove is a garment that covers the whole hand. Helmet (6)Mainly used as protective head covering. However, it can also be decorative and is often used to hide your own visage and identity. Lipstick (2) Lipstick is a cosmetic product that contains pigments, oils, waxes and plasticizers that applies color, texture and protection to the lips. Many varieties of lipstick are known. As with most other types of makeup, lipstick is usually, but not exclusively, worn by women. The use of lipstick dates back to antiquity. Mask are objects that are usually worn on the face. Their applications range from medical (example: oxygen mask) to cladding (avoidance of detection). They can also be used for entertainment (for example in theatre or dance), and can even be forced on someone as punishment. Masks have been in use since ancient times. Tie (1) The tie (or tie) is a long piece of fabric worn around the neck or shoulders, resting under the shirt collar and knotted at the throat. Ribbon on clothing (2)bands on clothing are ribbons that decorate clothing on the wrists, arms and other parts of the body. This is contrasted with a body band that is a band directly on the body and not on the clothing. A band can also be tied around the collar of a shirt, blouse or other clothing top that forms a ribbon tie; this is a specific case that is dealt with and labelled separately. absolute cleavage is a complete exposure of the breasts does not count.bokukko (1)A bokukko is a female, usually young, which refers to itself with the boku pronodema. The boku pronodema this is not compulsory; some are bokukko, although they are quite introverted. A similar concept with the ore pronoun is the orekko.dekolleté (9)A cleavage is a minor exposure of the buttock slit they, often because of low-slung trousers. The Crena is another formal term for the gap between the buttocks. Some people think that wearing their pants is too low in the back in fashion. The resulting exposure of the gluteal cleavage is commonly referred to as a coin slot. Whether or not this type of wardrobe disorder is sexy is rightly a matter of personal taste. Taste. Clothes traditionally worn and associated with the opposite sex. Crossdressers often hide their cross-dressing identity for a long period of time and therefore tend to be adept at accurately depicting the opposite sex in terms of voice, movement, behavior, temperament, etc. Large breasts in anime are larger than real women. Breasts as big as the character's head, or perhaps slightly larger, are still considered large; Breasts that take up at least as much space as the rest of the chest or abdomen, or which are almost as large but have an absurdly unnatural shape, are instead the less common gigantic breasts. Long legs (3) Although this is mainly a feature of tall characters, with enough exposure of bare or even clothed (preferably skin-tight) legs, can even apply a short character.shitapai (2)Shitapa, a combination of the words shita (under) and oppai (boob), refers to the exposure of the underside of the female breast, a form of inverse cleavage, if you will. It is sometimes referred to as underboob in English, showing almost identical etymology.small (2)This character has a bust size that is considered small. The small size is usually a bust that would use a bra that is A or B. In anime, C can rarely fall into this category zettai ryouiki, literally absolute territory, is an area of exposed skin of a female in the gap between thigh-high or over-the-knee hosies and a miniskirt, shorts, or occasionally a mini dress. In addition to the area itself, the term can describe the clothing combination. Please note that zettai ryouiki requires all three components: over-the-knee or thigh-high tights, thigh skin and one of skirt, shorts or mini dress. People sometimes get tattoos to show that they belong to a gang or culture group.--simple.wikipediawhite hair (2)The character has yellow hair. This does not exactly match real blond hair. Aristocrat (8)An aristocrat or nobleman is a member of the aristocracy or nobility, an upper class in feudal societies. Nobles may or may not have a certain title of nobility. For the sake of simplicity, the license should also be considered as a nobility. Bartender (2)A bartender is someone who serves drinks, usually alcoholic, behind the bar, and also to keep his supplies and inventory. The word bartender, also known as barkeep, has been used in the past to refer to the owner of a bar; Nowadays, it refers most often to bartenders, although the original meaning is still valid. Based on a fictional character (2)This character is based on a famous character from another work of fiction.chef (1)A chef is a trained professional chef who is competent in all aspects of food preparation and often focuses on a particular kitchen., Ireland and Gaul (France) and possibly earlier. King (5)This character rules a kingdom. Usually kings are men, and their female counterparts are called queens, but in the anime there is at least one well-known female king. The kings of the past usually had absolute power, but over time more and more kings had to be controlled by an external body, in the form of constitutional monarchies. In modern real kingdoms, it is very common for the king to confine himself to the role of a popular and political leader who no longer has any power. Royalty is usually inherited, and the rules vary from place to place, but the most common is: preference goes to the direct descendants (e.g. sons are privileged in the to nephews), usually by the oldest relative in a certain line, and in most monarchies a male will displace a woman, often even in preferred lines (e.g. a nephew would displace an older niece and often also an older daughter, but not a younger son). Knight (32)A gentleman soldier, or a member of the warrior caste, an elite elite who subscribes to the ideals of chivalry and keeps honor, faith, loyalty and courage.princess (3)no description setwaitress (2)A female caregiver who serves customers in a restaurant, café or the like.
