Science olympiad division b machines practice test

Division: B – Secondary School NC Basic Standards Alignment: TBA Event Rules: See national rules Event Points Sheet: TBA National event page: here Necessary materials: Each team can carry one binder with three rings of any size, containing any information in any form and from any source attached using the available rings. Attendees can remove information or pages for use during the event. Each team can carry tools, consumables, writing utensils and two standalone calculators of any kind for use during each part of the event. These items must not be confiscated. Each team must confiscate their device, device diagram and copies of scoring graphs and/or tables. All participants must wear eye protection during Part II — see the rules guide for more details. Clarifications: None Description: Teams will complete a written test on simple machine concepts and build a lever measuring device before the tournament to determine the ratio between two tables. Materials: Each team may carry one three-ring binder of any size containing any information in any form and from any source attached using the available rings. Attendees can remove information or pages for use during the event. Each team can carry tools, consumables, writing utensils and two standalone calculators of any kind for use during each part of the event. These items must not be confiscated. Each team must confiscate their device, device diagram and copies of scoring graphs and/or tables. All participants must wear eye protection during Part II — see the rules guide for more details. Scoring: Tba Common errors: None Recommendations: Example of a chart data table Event Resources: Machines 2019 Coaches Clinic Presentation (2020 Rules) First reincarnation of a series of Youtube videos for Machines – follow his channel for updates Media: 2020 Lever weights explained The information below should not be interpreted as extending the scope of the rules. You can find free online copies of these download rules in the Science Olympiad store. The official rules in this Rules Manual take precedence. Resources and links
