It is a green building the Community Center designed, designed and built in accordance with the U.S. Green Building Council's (USGBC) LEED rating system. LEED is an acronym for Leadership in Energy and Environmental Design. By LEED standards, the USGBC aims to enhance the way buildings are designed, built and maintained, with a particular focus on environmental and social responsibility. Check out the LEED information about the Community Center. Playgrounds The Community Centre has two separate playgrounds. Located at the front of the Community Centre, south of boundless playground, there are several ramps that allow children and adults with mobility problems to easily access the gaming environment. Governor Bush has pledged support for the limitless playground concept with the goal of 50 Florida cities to provide these unique playgrounds that serve children of all abilities. Through a partnership between Dunedin Kiwanis Club and Dunedin Boat Club Be A Player, the city of Dunedin is proud to include this playground in the new centre area. The second playground behind the community centre is with slides, climbers, swings and a nearby pavilion, basketball courts, hiking/cycling trails and restrooms. The playground is next to the grassy area of Highlander Park, where you can play freely and play football, football or kickball. Visit the playgrounds website to list the playgrounds in Dunedin.
