More from Ninja KiwiStoryThe game features a relatively new gameplay consisting of head-to-head battles between Bloon's players. Aside from playing against the invading Bloon's, you can also join others in a one on one battle to see who is the better player. Build your monkey squad to compete with others in the world of Bloon's TD Battles, compete with each other in battles and tournaments to see who has the best skills. Bloon's TD Battles is designed for both online and local multiplayer. Like the previous version, there will be a lot of different tracks for you to enjoy. Plus, you'll get access to powerful upgrades to increase your team's power for future battles against other players. Here are awesome features that would definitely interest you. With a relatively new gameplay where players can go head-to-head against each other instead of following the traditional game modes where you can only fight the programmed Bloon's. With Bloon's TD Battles, players can enjoy thrilling and intense matches with real people, making the games much more exciting. You can test your skills with players from all over the world in different game modes. Give everything you have to see who's a better Bloon destroyer. All you need is a stable internet connection and an Android device to be able to go against the best Bloon's players from around the worldThe game has up to 27 customizable tracks for head-to-head battles. Each has its own element of advantages and difficulties, making sure you choose your towers wisely to gain the upper hand. In addition to that, you must also manage your fund effectively during the match to ensure your final victory. Like the other Bloon's games, you'll also have access to different towers, each with its own unique powers and specialties. During an online match, it is important to have a decent collection of different This would give you a great advantage against your enemies, allowing for a decisive final victory. Hence, make sure you can counter your opponent's Bloon's with the right turret. In addition, the in-game towers are also upgradable with 8 different power upgrades. It would be a good idea to power up your tower before going into an online battle. In Bloon's TD Battles there are 4 different game modes for players to enjoy. The most popular mode is probably Assault Mode where you will command your strong armies of Bloon's to attack other people's base. But if you are a steady Bloon's player, defensive Mode would be more suitable for you, as all you have to do is deal with a strong defense that can knock back any Bloon's attack from other players. And if you have something riskier, try Battle Arena Mode where players go against each other in an all-out game. Put all your hard earned medallions on the table along with your opponent's to see who is the eventual winner. In addition, in this game you will also get access to the new Card Battles Mode where you will play towers and Bloon's cards to win against other players. Aside from the old tower increases that appear in the previous version of the game, in Bloon's TD Battles, the developers have added many new monkey towers to increase. These increases can have significant effects on the playing field, therefore they can be the deciding factors in giving you the victory. Aside from the normal tower upgrades, players also have access to Bloon's upgrades that allow them to power up their Bloon's minions. Hence, they may have a better chance of capturing their enemy's bases in Assault Mode.And if you are tired of playing with players whose faces you don't know, you can set up private matches to test your skills with your friends. By connecting to your Facebook account you can always ask your friends to join you in an exciting head-to-head Bloon's battle.Completing missions and fighting online opponents are not the only ways to get yourself valuable loots, you can also complete challenges to earn you awesome achievements that can greatly improve your squad power. And to show your power, you can add your own signature symbol to each of your Bloon's. Upon completion of the game, your Bloon's would show off their winning marks as a sign of superiority to your opponents. One of the best things about the game is that it is completely free to play. You can easily find the game in the Google Play Store and install it at no fees at all. Although the game includes a few in-app purchases, you can still make up to them by spending more time doing missions and challenges every day. But if you're looking for more available gaming, try downloading our Bloon's TD beat mode APK on our website and installing it on your Android devices. It's completely free and give you a amount of money to spend. Hence, you can quickly collect the powerful upgrades for your head-to-head battles. The game has the friendly art style of a Bloon's game that is family friendly. Hence, you can enjoy the endless Bloon's fighting with your children in a family night. In addition, the graphics are also bright, making the game extremely accessible for an old Android device. You will rarely notice any lags and the transitions between different scenes are extremely smooth. Bloon's TD Battles features awesome soundtracks that fit perfectly with in-game action. You can really feel the tempo of your game just by listening to the music. On the other hand, the sound effects are also top-notch with realistic explosion and monkey screams. With incredible gameplay and an exciting online multiplayer, you will surely have time to play the game.
