Massachusetts historical commission

View the Historical Commission Calendar. Agendas are available before each meeting. View Agency Minutes are available after approval. View Minutes View the List of Historical Commission members The goal of the Historical Commission is to protect and preserve the city's cultural characters and assets, to be archaeological sites, historical buildings, open spaces, landscapes, or historic districts. Keeping the cultural resource list of important structures in cities (the cultural resource list is also available in the Memorial Library and is now being updated.) Review any development, demolition, or community planning to ensure that preservation concerns are considered through the public hearing reviews and comments on all proposed subdivisions and consideration (loss) rock walls, cart paths, old quarters, or other archaeological or historical elements of the scenery visiting the property to identify and culturally important documents during the review process The Jurisdiction Commission includes everything outside of the city's three historic districts. The commission can serve as a design resource in property owners that are removing older properties.
