What our users say is that I have completed all practice tests and I am confident the test is clear very easily. Thanks for giving a very good simulation test and up to date the course. Testing these samples allows you to improve in terms of the necessary knowledge and practical skills that will come in handy, which will build confidence. The simulation test is very helpful, thank you very much. I passed my writing test today like a great relief! Thank you very much! I passed my writing test today with 20 questions and all came from your bank question. With the help of your practice test, I was able to complete the test in 5 minutes only 10/10/20 so I took the learner's exam today. I did manage to pass the test but was not prepared for questions related to traffic signals and hence managed to get 2 valid out of 5 questions related to traffic signs and signals, and the total number of questions is 20, I just want you guys to add some questions related to traffic signals and signals too. The rest of the question is all more or less similar to the one you provide here on the site. I tested it in Cuttack RTO, Odisha, India. Anyway, thank you very much. I'm already aware of this site as my friend has passed after giving a simulated test here. This morning I woke up at 7.30 am and got tested 5 simulator and started, I failed and after that I gained confidence back and repeated the exam and went for the actual test and washed it easily. Thanks and really appreciate the site and would recommend it. Disclaimer: This test is only public awareness. Heavy vehicles CyclistsPedestrians all the best test licenses of your learners will have questions similar to those mentioned above. The whole idea of a learner's license is to judge you on the basis of basic knowledge related to road safety, regulations and regulations. Calm down and be the best for your test. News Update: Microsoft Deploying smartphone technology at Dehradun RTO – November 4, 2019 Microsoft Research's Artificial Intelligence (AI) project aims to test driver's licenses automatically, made possible through smartphones. A smartphone is attached to the windshield of your car without being assessed during a DL test linked to the Regional Transport Office (RTO) in Dehradun, Uttar Pradesh. This project is known as HAMS (Harnessing AutoMobiles for Security) through this project, the main goal is to reduce the influence of the assessment and thus the purpose of the process and With the person applying for DL, the front and rear cameras and other sensors of the smartphone will monitor the drivers during the test. It also checks the distance between cars in the front, etc. Read the driver's license article at Acko with a car insurance policy to help prevent damage to your car under various circumstances, keep track of the latest car insurance articles and two-wheeled insurance articles here. Read all of our insurance and non-insurance related articles here. While Bajajinservmarkets.in our website and products are only available in India. In order to be able to drive on public roads in India legally, one must have a valid driver's license, and in order to do so, the first step is to provide a learning license. This document can be availed by Indian citizens over the age of 16 (with the written consent of the parent if they are not adults). Applicants who wish to exercise their learning rights must pass a written test either online or offline. The question asked will form several alternative questions, then the applicant must choose the correct answer. Applicants must receive a minimum number of valid answers to pass this test. The correct answer has been highlighted. * Learning Test License Warning Question - Should I give a driver test to get my learner's license? No, you do not need to provide a driving test to get the learner's license. You only need to give a written test to test your knowledge of traffic rules and regulations. Can I test my learner's license online? Yes, you can provide an online learner license test. What documents should I submit to receive a learner's license test? The main document you need to submit to obtain the learner's license is proof of address, proof of age, proof of identity and application form. The Ministry of Transport and Highways (MoRTH) has announced that the validity of vehicle registration insurance and driver's license will be extended 31 December 2020, this is the third time the Indian government has stepped up from the correct date. While the country's economy has begun to open up, some states remain under lockdown. Therefore, some private establishments and government offices are operating with minimal staff. This makes it difficult for people to renew other documents. The government on June 1, 2020 states that tourists and other citizens who are employing a taxi or two wheels for self-driving cars will not be required to use a badge if they have a valid driver's license or international driving license. / License Two wheels, which are subject to the 'motorcycle rental' scheme, will be allowed to drive across all states when the applicable taxes are paid out. To consult with the Ministry of Transport and Highways. The advisor states that those driving commercially must carry a valid driver's license or international driver's license, along with the name of the authorized person who has the right to drive with an IDENTIFICATION number. These public service vehicles are used by officials, organizations, tourists, business people, etc. and are hired by local license holders. The government adviser also clarified that there will be no separate certification for other commercial vehicles, such as motorcycles without motorcycle gear, with gears, light vehicles, etc. driving your car without your documentation, such as insurance, driver's license and registration certificate, has made way for the maximum number of offences since the lockdown has been in place. It has been recorded that 11,938 traffic challans have been issued right up until 17 May. From now on, about 7,293 have been for driving without carrying A lot of people were caught without a single document while they were driving, and after this a lot. Challans have been issued for several offences such as RC driving, insurance and DL data from the police have revealed that 5,021 have failed to show the DL and 5,626 of them have been driving without insurance. About 4,671 people were not carrying their RC. Recently, the Regional Transport Office decided to issue student licenses only to students in their colleges. This will cause students to follow the traffic rules that the government put in place while riding a vehicle. Sharad Jichkar, RTO City has announced that this initiative will be implemented and said the Office of the Transport Directorate in Mumbai has already issued a circular guide to all RTOs. It also said the department would allow colleges to conduct online tests, but to obtain a permanent permit, applicants would have to go to the transit office 18 August 2017. 30% of applicants who appeared for the test question, the student's license did not pass the online test held by the RTO in than this test made it more difficult in an effort to ensure that the new generation of drivers were safe and responsible. Technology-driven exams, along with improved rules, make it harder for drivers to clear tests. The test has 15 questions, of which applicants must answer nine correctly if they wish to have their learner's license, and each response should be completed in 30 seconds.
