Fossil fighters champions dlc

What good all? It's been some time since I've posted nothing ... but I have to share this with everyone awesome. There are methods for getting downloadable content for champions of fossil fighters. What you need:1. Good WiFi connection or personal hotspot.2. Dsi, 3ds, or 2ds3. Champion of the game cad4. Playback of actions (lol jk)Start by going to internet settings in ds, then create a new connection. After that type your password for the network, scroll through the connection details until you reach AutoSetup DNS, select NO. Then go into detailed preparations and for both key and secondary types in these values 172.104.088.237Finally, perform connection tests and then open your fossil fighter game. The multiplayer option on the main menu is where you want to go, then choose bonus data once you connect. Frigi and Igno are accepted from fossil gras, everything requires some unique and fun sidequests. Step 5 Enjoy and Fossil fight! Shoutouts go to you/Blackfire60 and you tuber Johnstone for all their hard work in finding this information. I'm just a sender. I don't deserve any credit for their work! I just want to share this wonderful news with the rest of the biggest collection of fossil fighter fans out there. From The Clipping Room Floor Jump to finding Champion Fossil Fighters Also known as: Super Fossil Diggers (JP)Developer: ArtdinkPublisher: NintendoPlatform: Nintendo DSReleased in JP: November 18, 2010Released in the UNITED States: November 15, 2011 This game has been uphill To do: See pre-release recordings, which include things like initial assets and other cut/alterd content. The Fossil Fighters Champions are RPGs where players revive dinosaurs and other ancient creatures (now called vivosaurs) by digging and cleaning their fossils, then use them to fight. Unused Music There is an unused music file called BGM_BTL_TUSHIN_A. It can be a possible battle theme for unleashed DLCs. Follow Games » consists of 1 post. Released Nov 14, 2011 I've seen a lot of people who don't know this is possible so I think I should clean it up, yes you can get dlc and no you have to hack your game or mess with ar code or anything, all credits go to different contradictions to discover this month then (small edit, if you don't have a fear game! scream to you / DonTheKang to think about how to get this to work on the emulator! just be warned that you may need a little technical experience)Get the Downloadable ContentThings Champions you need: Mobile hotspots, open WiFi, or WEP networks (I use my phone hotspot and disable crippling You DON'T need to: Modified DSSteps Replay Action: DSI: Go to your Wi-Fi settings / DS Lite Open FFC Go to your files, and then to Multiple Mobile Players to settings and click yalf you've connected your DS to the internet in the past, go to Options > Delete Nintendo WFC Configuration. Else, ignore this step Go to Nintendo Wi-Fi connection settings either creating a new connection or modifying an existing Se SSID to be the name of whatever connection you use If you connect via WEP, enter a password. Else, let this blank Down and select No on Auto-Obtain DNS Enter this for both Major and Secondary DNS: 172.104.88.237 Do the connection TestIf it works, congratulations! Now all you have to do is get DLC off the menu that's not too difficult Otherwise, Make sure you network whether your WEP or OpenIf uses 3d or n3ds please note that you need to go to the settings on the home screen and go to the wifi page as if you added a new connection, all steps are the same from then onthis dlc containing all the dinourian, salada, frigi and igno, and special digsite accessed using a fossil meriam that has never been fully released. Everything can be obtained from fossil gras once you enter your game after getting dlc, be sure to beat the game first even as people are dinourians, salada, and special dig sites are all only available after the game. If you don't have you need to get a special text box after starting the game again when credits have launched basically saying that you've got dlc.that should be all, Happy digs! If you have any questions feel free to ask. if anything comes or the method changes somehow sick of editing this post with new information. Also, I don't know everything and people in different assumptions have a more technical way of knowledge than I am. if your id is really having trouble suggesting going to them with any questions (˘)7Page 2 47 comments
