Clash royale magic s1 apk download

Enter the arena! From The Clash of Clans creators comes a real-time multiplayer game starring royals, their favorite clash characters and much, much more. Collect and upgrade dozens of cards including Clash of Clan Soldiers, spells and defenses you know and love, as well as royals: princes, knights, baby dragons and more. Knock the enemy king and princess from your towers to defeat your opponents and win trophies, crowns and glory in the arena. Form a clan to share cards and build your very own battle community. Leading the Royal Family Clash to victory! Please note! Clash Royale is free to download and play, however, some game items can also be purchased for real money. If you don't want to use this feature, please set password protection for purchases in your Google Play Store app settings. Also, under our Terms of Service and Privacy Policy, you must be at least 13 years of age to play or download Clash Royale. A network connection is also required. Features• Duel players from all over the world in real time and their trophies• Earn chests to unlock bonuses, collect powerful new cards and upgrade existing ones• Destroy opponent towers and win crowns to earn the crown chest saga• Build and upgrade your card collection with royal family encounters along with dozens of soldiers clashing your favorite, spells and defenses • Construct your ultimate Battle Deck to defeat your opponents• Progress through multiple Arenas all the way to the top • Form a Clan to share cards and build your very own battle community • Challenge your Clanmates and friends to a private duel• Learn different battle tactics by watching the best duels on TV RoyaleSupportAre you having problems?
