Mx player apk old version 12mb

film. Along with the changing times, watching movies can not only be done on your DVD player. Now watch the video more often done on the computer. But now with smartphones and you can watch all your movies easier and can be done anywhere. Features of MX Player APK 1.7.37 **HARDWARE ACCELERATION** - Hardware acceleration can be applied to multiple videos using new H/W decoders. **MULTI-CORE DECODING** - This is the first Android video player that supports multi-core decoding. The test result showed that dual-core device performance is up to 70% better than single-core devices. **PINCH TO ZOOM, ZOOM, AND PAN** - Easily zoom in and out by pinching and swiping across the screen. Zoom and Pan are also available by option. **SUBTITLES** - Scroll forward/backward to go to next/previous text, Up/down to move text up and down, Zoom in/out to change the text size. **KIDS LOCK** - Keep your kids entertained without having to worry that they might make calls or touch other apps. (plugin required) Alternative download link mx player apps apk Screenshots Improved device compatibility. Fixed duplicate folder list on some ASUS devices. Brilliant App, playing most types of video file, looks good and I love gestures (swipe to F/Rw Volume up/down etc) be even better if it incorporated PIP and Chromecast.
