VR, Guild Ruins or GR) maps to sea server for this week. Go here for the global server version. Valhalla Ruins (a.k.a. VR, GR or Guild Ruins) is a weekly game mode in Ragnarok M: Eternal Love, where your guild enters an exclusive dungeon with MVPs and Mini Bosses. The maps of these dungeons are difficult and confusing. Portals can lead to empty cards and will be time consuming if you keep entering the wrong portals. Fortunately, the VR cards are the same across all guilds in all channels. On this page, we'll update you with each week's map layout, so you can take the fastest routes and finish the Valhalla ruins efficiently. SEA Server For SEA server players in Ragnarok M Eternal Love, here's this week's Valhalla Ruins card for the week of June 2 (June 8-12, 2020). GLOBAL Server For Global server players, here's this week's Valhalla Ruins card for Week 3 of January (January 13-19, 2020). What Valhalla Ruins If you have no idea about Valhalla Ruins, it is a dungeon mini-game where you must defeat the 5 bosses placed inside the puzzle card to get drop rare rewards and Nibelungen Shards to get cosmetic equipment and drawings. Every week, the dungeon card will be reset every Monday at 5:00 am. You'll need a guild to get into the Valhalla ruins, a party and 40x silver medal to get into each of the dungeon levels. However, you can create a solo party with your mercenaries to be eligible if you don't have other players to play with. There are 4 different levels in Valhalla Ruins and each level offers more rare rewards. It's levels 100, 80, 60 and 40.
