These definitions are located on Clinical Cover Policy website, which includes but is not limited to, the following clinical coverage policy: 8A – Improved Mental Health Mental Health Substance Abuse Services 8C - Outpatient Behavioural Health Services provided by Direct Enrolled Suppliers 8D-1 - Psychiatric Equipment Facilities for Children Under the age of 21 8D-2 – Definitions for services funded by the State (the NC Division of Mental Health/Developmental Disabilities/Drug Abuse Services) (b)(3) Services Partners also offer what is called (b)(3) Services. Section 1915(b)(3) of the Medicaid Waiver enables states to provide health-related services in addition to those approved in the approved NC Medicaid Plan to provide entries participating in the 1915(b). Services are approved by the Centers for Medicare and Medicaid Services (CMS) and comply with all applicable CMS requirements. (b) (3) Services: are cost-effective, supplementary services and supports; is aimed at reducing hospitalization and helping individuals stay in their homes and communities (when preferred and appropriate); cannot be used for people who do not have Medicaid; and includes mental health, intellectual and developmental disability, and drug use services. Alternative Service Definition Opioid Treatment Programme Bundle (State Funded) (b)(3) Service Definitions 'Instead of' services partners can develop and offer partners for new services to the NC Division of Health Benefits (DHB) for approval. These services are covered by Alternative or instead of service definitions. These services are not available in the traditional benefit plan and differ from (b)(3) services. DHB may approve these new services for compensation under Medicaid, and in some cases, with state funding. Instead of service definitions: ALL SERVICES REQUIRE PRIOR AUTHORIZATION, UNLESS OTHERWISE NOTED IN THE MEDICAID AND NON-MEDICAID BENEFIT PLANS.
