5th grade vocabulary list pdf

This list of fifth-grade vocabularies was built from an analysis of the difficult words that appear in basal readers and other books that are usually instructed in the fifth grade. These words were then analysed to see how often they appeared on national English language tests, which were put in fifth, sixth and seventh grades. This word list is free and retrievable, and it is also available through our systematic vocabulary development program, Project Word Up, which has proven to pick up results. You can also view word lists of other levels of the Word Up project. Get printable worksheets to teach 5th grade vocabulary now!
