My friend pedro unblocked

I have no idea what the plot of this game is, but it looks interesting for sure. This is an adult swimming game, so I understand why. My friend Pedro is back with the new version of a fantastic shooting game. In My Friend Pedro you have to complete new missions, kill hundreds of enemies and perform fantastic slow-motion kills. Your invisible friend, keep banana is still with you and will guide you through the levels. keep in mind that at the beginning of the game, you will have to complete a simple level of tutorials in which you will be taught how to control your character. As you get into the game, you'll unlock and get new weapons and new items. Ammo is limited to using it wisely. Your character can perform fantastic stunts, such as jumping from wall to wall, doing slow motion skills, and having a lot of fun. Enjoy the game My Friend Pedro 2 right now on our website. About my friend Pedro When people ask me why I love this game so much, I just tell them one word: slow motion. It's certainly not the only shooting game you can find online today that has a slow-motion feature, where you can do fantastic stunts, kill enemies like a movie hero, and still play an interesting game. So, before we start playing we find out some useful information about the game. My Friend Pedro is a shooting game with slightly dark graphics and beautiful gameplay. At the beginning of the game you have to complete a small tutorial in which you will find out how to control your character, how to activate slow motion and many other things. According to the plot, follow your friend, who is invisible but holds a banana to show you where he is. It will guide you and give you advice on how to jump from wall to wall, how to get new weapons and so on. Another thing I love about this game for is the variety of weapons. During the game you will unlock many different weapons, some of which are strong enough to fight with different enemies at the same time. You can also get double weapons to do fantastic stunts and head shots. Your main mission in the game is to stay alive and reach the finish line. Be afraid of every corner, every door because your enemies are all where. Enjoy playing the My Friend Pedro Unblocked at our website. Enjoy My Friend Pedro is a violent ballet about a man's friendship, imagination and struggle to erase anyone on his way at the behest of a sentient banana. The strategic use of split aim, slow motion and the elegant window breach create one sensational action sequence after another in an explosive battle through the violent underworld. Full Throttle Gun Ballet –> Unleash a torrent of destruction with an incredible level of control over both your weapons and body. Turn and in the air as you point both hands at priority threats or line up a perfect bounce to drop an unsuspecting gangster from behind. Behind. Throttle Gun Ballet: Unleash a torrent of destruction with an incredible level of control over both your weapons and your body. Spin and spin through the air as you point both hands at priority threats or line up a perfect bounce to drop an unsuspecting gangster from behind. Mix It Up: Break the high number of octane running and shoot a bit with dynamic sequences like a thrilling motorcycle chase or slow everything down and take a moment to think through a series of intelligent (and perhaps fatal) physics-based puzzles. Braggadocio in slow motion: When the action heats up to a frenzy, it brings everything into focus by moving in slow motion to calm your nerves and stabilize the aim. Use the game's automated gif generator to easily share clips of your sequences above the best on social media. Blood and Blood Language Violence Violence
