For more information on the Yvonne Shaw Middle School performance plan, the Department of Education has designated TSI as the school in 2018. We are working adjustments and improvements in the target areas. Please take a look back at this page as we update our progress in these areas throughout the entire school year. Criteria for designation as school TSI can be found on the following annex: TSI Identification Criteria Our Plan: Progress: Shaw High School & On Track Academy Spokane Public School Shaw High School & On Track Academy Spokane Public School YSMS PTO was created with one goal in mind. To do everything possible, students, teachers and administrators are equipped with the tools and assistance to achieve their personal best. To achieve this, the PTO participates and organizes several events and/or activities. The PTO organizes a fundraiser every year. PTO gets to keep 100% of the money earned. This money helps fund new programs, team and student incentives and much more. With the support of parents, students, families, businesses and administration, we hope this is our best year ever! PTO members also run a student shop. It is located opposite the office on the right. The store sells everything from shaw wear, water bottles, to student supplies like paper, pencils, stitchers etc. Students can also use their Coyote Cash to earn to buy supplies in the student store. The shop is open every Tuesday and Thursday from sixth grade lunch to eighth grade lunch. The PTO is always looking for parents to help during these hours. The PTO helps with chaperoning events as well as presence to help staff, students and parents. We strive to be a consistent and helpful presence at school wherever and whenever we need to. PTO meetings are held at the library every other Thursday of the month at 6pm. You don't have to be present at meetings to be a member of the PTO. Discussions from the meeting will be emailed to all available PTO member email addresses monthly. You can also follow us and contact us via the links below. PTO members are an important part of Yvonne Shaw High School. Please show your support and join today. We work together, we can make a difference! Follow us on Facebook!
