Tae Takemi is the owner of Takemi Medical Clinic and a possible romance option in Atlus JRPG Persona 5, a spinoff of the Shin Megami Tensei series. He sells drugs and upgrades to players. 12345678 Buy Items No more comments, add one below. Tae Takemi is a secondary character in the 2016 Megami Tensei spin-off game called Persona 5. In this game, he was introduced as the owner of Takemi Medical Clinic in Yongen-Jaya. Once a university worker, his life overturned when he was blamed for the disastrous results of a medical trial he initially reminded his colleagues against. Therefore, he goes out on his own and has a unique way of looking at pharmaceuticals, often secretly providing illegal drugs to customers. Get the look of a Dark Physician with this dark physician's costume guide. Tae fights to perfect his medications and restore his credibility, however, it was later revealed that patients killed in previous medical trials did not die at all. The look of Cosplay Tae Takemi with a dress in Women's Tank Dress, Lab Coat, Red Belt and Black Heels Boots. You can really catch tae punk-rock essent by adding Black Choker, Blue Hair Wig, Pill Kalung, and Gel Pens. Making your own Tae Takemi outfit from the Persona 5 hit game will be fun and iconic! The steps to this cosplay are pretty simple, start with basic black clothes and build from there. Add some laboratory accessories and your killer heels will help save the world! The main costume items included her tiny black dress, a white lab coat, a wig and killer heels. Additional item options include a series of Persona games, you know for background research! Fan favorite lane doctor and Death Confidant Tae Takemi of Persona 5 comes to life in a wonderful series of photos of cosplay, courtesy of Twitter user K. Although Takemi's clothing design is definitely easier in nature, immaculate attention to detail and how much cosplayer immerses itself in the role is what membuat kerjanya benar-benonjol. @uzura1029/Myo Takemi foto: Hiram-san (@uzura1029) pic.twitter.com/PPmsBmPmq1 - K (@0124_kkk) 20 20 Jolai 2018 Photos:@cam_e_r_09a pic.twitter.com/VBnKeOOZ3C — K (@0124_kkk) February 26, 2019 *Cosplay Photos of @cam_e_r_09a the pic.twitter.com/l6O4AaC1FD — K (@0124_kkk) April 18, 2019 *@cam_e_r_09a Cosplay @0124_kkk pic.twitter.com/eiOvgwO32 - K (@0124_kkk) April 16, 2019 *Cosplay a.k.a. ナ5/Za-a-k-@cam_e_r_09a-pic.twitter.com/RRJ7mu5No9 K(@0124_kkk) April 18, 2019 *Cosplay Photo:@cam_e_r_09a pic.twitter.com/Cm6Z1Z3zNE — K (@0124_kkk) April 2019 Not only is k cosplay himself great but the fact that he's through an effort to emulate the very iconic doctor's office setting really sets his work aside. And as a bonus, check out this gif showing off her gorgeous shoes (handmade!) as well as takemi's iconic cross legs: If you want to check out takemi's extensive collection of cosplay photos (as well as her playing partner as the protagonist of Persona 5), you can do so on her main Twitter page or through her signature collection here. A little warning as some of these images, while not in any way nsfw, can be a little risk so look with kindness. Fans come together and share their passion for Persona 5 in a creative way is nothing new. Some examples of their cleverness include a beautiful Phantom Thief-themed poker look, a beautiful fanart depicting a crossover of sorts between women Persona 5 and Catherine, and some beautiful cosplay both Futaba and Makoto. We also have some excellent Spiderman: Into the Spiderverse x Persona 5 crossover fanart, an amazing take on the GBA JRPG style version, as well as an intricate board game that fans can print and play on their own. Those at DualShockers love Persona 5 as much as a very talented and distinctive fanbase, judged by our glowing review of the title back in 2017. If you haven't gotten around to playing yet, you can buy Persona 5 here. Recently new information has been revealed about a new version of Persona 5 called Persona 5 The Royal on March 23 in a teaser trailer. The trailer begins at the end of the final episode of the anime Stars and Us, which is broadcast live on Japanese television, and features a mystery young woman critical of the Phantom Thieves and their methods. Method.
