Are you in love with cars? So Car Town is a game for Facebook, in which users have to buy their cars, assemble their garage, travel, compete in races, participate in competitions and more! The game has a surpeendent sound and the challenges are sensational. These are the highlights of the game, since it offers several tasks for the user and thus prevent it from ooc not ending the game. Customization One of the options Car Town offers is that you will be able to customize your avatar to go with your face. It also makes it easier for your friends to recognize you, because you can work in their workshop. Change the shape of the face, choose around more similar to yours, among the different options; change the shape of the nose and even eyebrows, and you can choose the hairstyle of the hair, the moustache and change the clothes. In addition to customizing the avatar, after buying the vehicle, you can paint it, create drawings (including using graphic editors) and upload it to put it in the car. That way you'll have a unique model. You can also give that tuna, changing the parts of the body to make them even more induced. One of the coolest and most interesting things, is that the cars are officially licensed by car manufacturers such as Chevrolet, Dodge, Ford, Honda, Mazda, McLaren, Mercedes, Nissan, Scion, Toyota, Volkswagen and Lamborghini, and even have more car manufacturers on the way. Just like other games on Facebook, you will also be able to communicate with your friends from the network! You'll be able to call them to work in your workshop and work on theirs. All in a very nice interaction! Garage But what's the point of having a car if the garage doesn't go with it? You will be able to enlarge the garage because you will get more cars, change the color of the floor and walls and put a variety of cool accessories, so that your customers feel impressed and more often return. Let's make money! In Car Town there are several ways to make money to help with your business. The biggest and best source of income is to have your own workshop inside the garage, so people can take cars for repair and washing. In addition to the workshop, you can also make money by hitchhiking friends on trips and making special trucks, delivering pizza, ice cream, among other things.
