Opinion of Richard Baird. Vespers is a premium coffee brand that aims to bring together the best of two worlds, a mixture of 100% Arabica coffee beans from the high-altitude plantations of Colombia and a Swedish eye for its quality and craftsmanship in its roasting. This encounter is visually articulated through the contrast type, color and pattern in the packaging of Vespers, developed by Stockholm Design Lab. A-TO-B is a retail destination dedicated to everything you travel. Curate and sell smart practical products for the modern traveler, complemented by knowledge and advice. Whether it's a trip around the world or the commute, a preference for small private labels or well-known handbag brands, A-TO-B has you covered. Venue Retail Group, owners of A-TO-B and more than 150 footwear, bag and accessories stores in Denmark, Finland, Iceland, Norway and Sweden), approached Stockholm Design Lab to work on the denomination, strategy and graphic identity, and to develop a refreshing new retail experience. Although this project was carried out towards the end of last year, Stockholm Design Lab has been kindly in touch with new images. These document the extent of the project, include product card sockets, packaging, tote bags, posters and swing labels, and take a better look at the adaptive system linking them. Read Richard Baird's Opinion article. Panini Internazionale began life as a small deli in 1990 and has since grown into a fast food chain with 19 locations in and around stockholm, Sweden. Panini Internazionale offers healthy foods of good quality quickly and conveniently, is a family business, and has a brand identity and name treatment developed by Stockholm Design Lab. This included logo, logo and patterns on menus, coffee cups, signage and packaging.
