Mrt workbook answers step 1

. Due to copyright laws I had to remove all images of the MRT workbook, personally I coulnt GIBE 2 shit on it but more to the point other participants may use it to get through the first step, I don't want to rob them of the dependence of going through phase one, so I'm happy to obey I'm so finally thanked who I am.And life I've been on to try one step in MRT. I need to remember 10 things and talk about each one. It's not easy admitting you're an idiot. I always thought I was a good drug addict, I prided myself on never ripping up my dealers (of course it's ok to rob everyone to pay a tu dealer) to go understand. I've always been generous, everyone loved me, well they loved to take advantage of my generosity, I just wanted people to shock me I'm going to ask if I can film it, I'm nervous and still a bit durable, I still blame others and be b'm a victim but I.maing progress. That's what my closed book testimony must cover, I hope I can do it without forgetting anything and without exploding I'm !!! It's hard to admit sometimes part stage 1, no words can be used this I feel good attending my MRT group wishing me.luck I'm trying phase one next Tuesday at 11am.
