You must beat all the enemies in the game to be able to win the game. This is a life and death battle, only one of them can survive. Do you want to be losing in this game? Visual Control SystemThe Street Fighter IV Champion Edition control system is quite simple, with many similarities to other action games on the market. Moreover, the game has been heavily improved by capcom publishers, making it easier for players to make beautiful combo sets. When fighting for a while, you will collect enough to use the ultimate skill. Basically, the game has a virtual key to control the movement of characters and four buttons that match four character skills. A combination of magic skills will help you make beautiful combos, causing a critical hit Enemy. As I have seen, with the PC version we can do a smoother move, however, Street Fighter IV Champion Edition is enough to make you feel good. Charactersin games, you'll be selected one of 32 game characters. All are heavyweights, destroyers, mercenar... with lots of quick killers moving like electricity. You'll have the opportunity to meet the classic characters of the IV Street Fighter Champion series such as Ryu, Chun-Li, Guile, Zangief, etc. Each character has different strengths and weaknesses, so you need to find a character that suits the game. ModesStreet Fighter IV Exciting Champion Edition has many unique modes. At mode will allow you to explore the game plot. Four levels of game difficulty help you train your skills with people. If you like a wonderful battle, PvP mode is for you. Especially in this version, when connected to the Internet, you can challenge other players around the world. Characters have almost the same power, so your skills are what makes a difference. Practice hard and beat all the other players, take glory. Also, Street Fighter IV Champion Edition has plenty of other special modes for you to experience. However, some modes and game characters are limited. You have to spend money to unlock the whole game. If you're a player, it's very exciting to experience the whole game. Otherwise, then there is no problem. I think the main mode of this game is pretty attraction, making you play all day without being boring. The graphics of the Game have classic 2D graphics, however, it has also been upgraded pretty nice and detailed. The character's manipulation in combat is quite smooth, flexible. In addition, special skills effects are also unique. In addition, the sound system also interacts well with the game, making the battle more intense. EndeOverall, with these elements, you can confidently download Street Fighter IV Champion Edition. You'll be immersed in a world of boxers, deadly samurai and burry-fired battles. For just \$4.99, you can unlock the full version of the game and have a very interesting action game. Download Street Fighter IV Champion APK MOD Edition for Android version (Latest Version)
