PomonaUnified sample placeholder text, attended by tweets, Please change the place marker text, please change the dance with passion, the Dance Program at Diamond Ranch Academy Diamond Ranch High School is dedicated to rigorous and excellent physical training, personal reflexes, dancing and critical analysis of your relationship with the world. Our students grow into technicians, leaders, and responsible citizens through self-discipline and a sense of community. As a dancer, you will be asked to participate in the skilled development of your body and mind. Designed to connect the physical act of dance with the working mind, this exercise experience is intended to prepare dancers for their lives through exercise. Our Class Dance IBeginning dance techniques and theories give students the opportunity to create, perform and participate in dance at the start level. They participate in and performs multi-intelligence-based exercises that support and meet the requirements of artistic perception, creative expression, historical and cultural context, aesthetic and connection, relationships and dance content standards in applications. Start dance is the basic exploration of dance style and choreography. Dance IIDance III gives students the opportunity to create, perform and participate in dance at a mid-level level. They participate in and performs multi-intelligence-based exercises that support and meet the requirements of artistic perception, creative expression, historical and cultural context, aesthetic and connection, relationships and dance content standards in applications. Start dance is the basic exploration of dance style and choreography. Dance II/IVAdvance Dance gives students the opportunity to create, perform and participate in dances at an advanced level. They participate in and performs multi-intelligence-based exercises that support and meet the requirements of artistic perception, creative expression, historical and cultural context, aesthetic and connection, relationships and dance content standards in applications. Advanced Dance is a further explore of dance style and choreography offered in dance style, dance company. The DANCE Composition III/IVThe dance team includes optional works from the dance team composed of the most elite dancers. With all departmental performances, the dance team also performs at select soccer and basketball games and school rallies. Team members are typically members of the VAPA. The main research units of this class are ballet, jazz, contemporary and contemporary, social/cultural, hip-hop dance. Students will also learn the history of all these dance styles. Students can learn to identify the main bones and muscles of the skeleton and muscle system and to see how the body moves. Writing will also evaluate and reflect class and live performances in the community. Throughout the year, students will use choreography elements (time, space, and energy) to create their own works to perform in class. Meanwhile, teachers will use constructive feedback to facilitate students' efforts and guide the choreography process. Teachers teach directly (in dances of all genres), but students are expected to have access to prior knowledge of thinking and problem solving.1. To learn and improve various dance techniques and styles.2. To learn and improve the appropriate and necessary performance qualities for various types of dance. 3. Communicate effectively through exercise and words.4. Express thoughts, ideas, and emotions through creative movements.5. Apply the information learned from other topics to the art form of dance.6. To develop the skills needed to work in the commercial or artistic field of dance.7. To evaluate professional performances of their classes, schools, public performances, other schools, communities and dance.8. To collaborate with VAPA students and raise awareness and awareness of the arts among all DRHS students. The Academy of Visual and Performing Arts, The Conservatory of Dance, dance teams and all dancers must be East Sea through the progression of classes in chronological order. Since our programs are generally based so heavily on academia that are not taught in studio places, it is important for all students to go through all experiences. Fine Art Track - Fine Art Track is intended for students who want to take classes to meet A-G requirements. Greenhouse Track - Diamond Ranch High School is the Visual and Performing Arts Academy of Pomona Unified School Dehapes, thus continuing to the program and dancers automatically become part of the VAPA Academy of Dance Majors. This track is an elite program for dancers who are dedicated to dance programs and want to open up the possibility to pursue dance at the college or professional level. These dancers performing at every concert are student choreographers of spring dance concerts. Greenhouse acceptance is only possible by audition. DrHS Dance Team - The dance team consists of the highest elite group of dancers on campus. ALong performs in some football and basketball games, along with all departmental performances. Rally. The team members are part of the greenhouse. No one cares if you can't dance well. Just get up and dance. Great dancers are great because of their passion. 100 Diamond Ranch RdPomona, Los Angeles County 91766USA 100 Diamond Ranch Dr., Pomona, CA 91766 | (909) 397-4715 Grade: 9-12 Student Registration: 1,815 Postal Address: 100 Diamond Ranch Dr., Pomona, CA 91766 Total Student and Undergraduate Student Enrollment: 1,815 Total Full-Time Equivalent Teachers: 64.0 Average Student-Teacher Ratio: 68.4 Student Gender Analysis: 28.4 Student Gender Analysis: 28.4 Student Gender Analysis: 28.4 Student Gender Analysis Ratio: 28.4 Student Sexual Ity Ratio: 28.4 Student Gender Analysis Rate: 28.4 Student Gender Analysis Ratio: 28.4 Student Sexual Studies Ratio (51 Males) Women: 899 (49.5%) Free lunch student eligibility analysis reduced lunch quantity: 241 (13.3%) Free lunch: 456 (25.1%) Discount or free lunch: 697 (38.4%) Student Enrollment Distribution/Ethnic Population% InAmerican Indian70.9% Black1809.9% [Asia 35119.3% + 92651.0% + 9th Grade
