Additional information follows from the schools. 11/17/2020Update from Dr. Cosentino: New Fairfield Middle School and High School will be on full Remote Learning on Monday, November 16th, and Tuesday, November 17th, to completion of contact tracing. The school offices in both buildings remain open. 11/14/2020Update from Dr. Cosentino: NFHS will remain on full remote learning on Monday, November 16 and November 17 to track further contact. 11/13/2020NFHS World Language Honor Society Inductions:NFHS World Language Honor Societies Inductions 2020-2021An update from our community leaders on COVID-19: HELPDESK EMAIL FOR PARENTS, PARENTS STUDENTS & STAFF - helpdesk@newfairfieldschools.org.NFHS Health Update 9-25-2020Policy 5141.25 Students with special care needs ONLINE REGISTRATION INFORMATION 06 Feb 2018 School starts at 7:50 a.m. and ends at 2:40 p.m. Students go to school 180 days a year. State law requires 180 days, and the state average is about 181 days. Students get 30 minutes before lunch. They don't have a break. New Fairfield Middle School serves students from 6 to 8. In the 2013-2014 school year, a total of 626 students attended The New Fairfield Middle School. The gender and race distribution is below: The ratio of students vs. certified staff is below, broken down by type of employee. *What is a 'similar school'? The total number of employees is lower. The average age of general education teachers in 2012 was 44.7 years. The average experience of teachers in general education in 2012 was 14.4 years. Administrators, coordinators, department chairmen are included in the distribution below. Teachers' salaries are broken down by topic below. Keep in mind that averages for the state and similar schools compare teachers at all levels of grade. In the 2012-2013 school year, students spent 294 hours in an English Language arts class, 147 hours in a math class, 147 hours in a science class and 147 hours in a social studies class. Note: Averages for similar schools and schools across the state do not include schools that do not offer the given subject. For example, not all schools offer world languages, so they are not included in the averages. Below you can see the first class in which a certain non-ELL foreign language is offered. If empty, it was not offered in the 2012-13 school year. Schools are divided into one of six categories, based on the progress of students in each school, as measured by test scores for the CMT and CAPT and high school graduations The top ranking is (1) Excelling, followed by (2) Progressing, (3) Transitioning, (4) Review, (5) Focus and (6) Turnaround. (Learn more here.) This school school excelling for the 2012-2013 school year. In the 2012-2013 school year, 62.5 percent of students took high school-level world lanaguge classes and 75.9 percent took high school-level math classes. *What is a 'similar school'? The average classes for the seventh grade are split below by subject. The average first graders had 17.5 pupils in the 2012-2013 school year. Here's how that breaks by topic: The average classes for high school are divided by topic below. The average class had students in the 2012-2013 school year. Here's how that breaks down by topic: Below are the average daily attendance, broken down by subgroups: gender, high-need students and race. The attendance of high-needs students is below. If the value is not available, then the school either a) does not have enough students in the category for the data to be released or b) has no students in that categorization. *What is a 'similar school'? This is the daily average turnout, per race. If the value is 0, then the school either a) does not have enough students in the category for the data to be released or b) has no students in that categorization. At this school, 11.3 percent of pupils in the 2013-2014 school year were eligible for a free or reduced lunch. Students whose families earn less than 130 percent of the poverty are eligible for free meals. Those whose families make up between 130 and 185 percent of the poverty are eligible for a reduced lunch. (Poverty level for 2014 can be seen here.) In some schools, 100 percent of students are eligible because of the Community Eligibility Provision. If 40 percent of a school's students receive free meals through a list of approved programs, including the Supplemental Nutrition Assistance Program, all students at the school can receive free lunches and breakfasts without an application. *What is a 'similar school'? Students whose dominant language is not English. Note: The value of 5 indicates that five or fewer students speak the language. The number of disciplinary incidents is broken down by the incidents and the percentage (per 1,000 students). *What is a 'similar school'? Below is the incident breakdown for the 2012-2013 school year: schools must track their media and technology resources and report each year. *What is a 'similar school'?
